

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Wee are Informed that you have by force taken all y<sup>e</sup> Records of Carolina out of the hands of M<sup>r</sup> Grimball our Secretary although the said Grimball was Commissionated by us to be Secretary under our hands & the great Seale of our Province in which manner wee found it absolutely necessary to have our Secretary Comissioned that hee being an Officer of the greatest trust in the Governm<sup>t</sup> next to the Governor, might have his dependance on the Proprietors in generall who are answerable to the King for the good or evill Governm<sup>t</sup> of his Subjects & untill wee had thus Comissioned M<sup>r</sup> Grimball wee could never have the Copies of those Records & papers as were necessary to enable us to satisfye y<sup>e</sup> King in such matter as hee had or might inquire of us wherefore must adhere to haveing our Secretary entirely

depend<sup>t</sup> on the Proprietors in generall Wee are also informed that you have imprisoned y<sup>e</sup> said Grimbball because hee would not deliver the records & Seale with the Custody of which hee is particularly intrusted by us for the sealeing of Grants for Land onely This Imprisonm<sup>t</sup> if it be as wee have heard is illegall & soe arbitrary & tyrannicall & in so much contempt of our authority wee doe not well know how to believe it, But that wee may know the Certaine truth of these matters wee have impowred Landgrave Colleton Thomas Smith Stephen Bull Ralph Izard & John ffarr Esq<sup>rs</sup> to make inquiry thereof upon Oath & to Certifye the same to us how they find it, & withall to take Duplicates of the Depositions of the witnesses & send them to us that wee ourselves may be satisfyed their report of this matter is without prejudice or partiality to any partye & wee doe hereby charge & require you to restore the Records & Seale to the said Grimbball if it be true that you have dispossessed him of them & to suffer him quietly to Execute & Injoy the place of Secretary which wee have Conferred on him<sup>1</sup>

Wee are alsoe informed that you have put M<sup>r</sup> Schenckings out from being chief Judge or Sherriffe of Berkley Countye & have Comissioned M<sup>r</sup> Quarry for the said place a Person by us ordered to be put out from being Secretary for receiving of Pyrates whilst hee acted as Governor without any authority from us & other his misdeameanors whilst hee was Secretary Wee have heard noe Compl<sup>t</sup> of M<sup>r</sup> Schencking for Injustice or oppression & wee think it is not for the Kings Service or our own honour to have a man turn'd out of Employ<sup>m</sup>t who hath behaved himself faithfully therein and it being the Proprietors in generall that are responsable to the King of any failure of Injustice in Carolina that Judges may not be too much in the power of any Governor but may without danger of being turn't out doe Justice equally between any man in power in Carolina & many other of the Inhabitants wee have thought fitt to reserve to ourselves the power of appointing Judges or Sherriffes of Countys & have now sent a Comission under our great Seale to M<sup>r</sup> Schenckings to be the chief Judge or Sherriffe of Berkley County whome wee require you to Comitt quietly to execute that Office who wee hope & are confident will doe Equall Justice to all men

as wee are well Informed and if any Governor of Carolina shall

Shall doe is voyd & Erroneous & at his perill And any man in Carolina that shall take upon him to act as Deputy that is not duely Impowred by us or by Rules from us is answereable for all hee shall doe by virtue of any such pretended power of Deputye/

Wee are informed that M<sup>r</sup> Joseph Blake haveing a Deputation under the hand & Seale of M<sup>r</sup> Archdale you have notwithstanding put him out From being Deputye & put in M<sup>r</sup> Berresford in his roome of yo<sup>r</sup> owne Choice & that M<sup>r</sup> Berresford acts as Deputye Wee hope this Information is not true for wee can never approve yo<sup>r</sup> soe doinge & shall bee obliged to Vindicate our owne Rights therein for wee will never allow that any Governor upon any p<sup>r</sup>tence whatsoever shall turne out a Deputye that is soe appointed to be under hand & Seale of any Prop<sup>tor</sup>= That tending towards a Rebellion to the Crowne arbitrary power in himselfe & the outing of the rest of the Prop<sup>tors</sup>= of their Rights Wee know not what to say of the protestation of our Deputyes untill wee are truly informed of the matter of fact, they saying you positively refused to Govern by our Instructions or Rules of Governm<sup>t</sup> and you affirme the Contrary, for if you did refuse to Govern by our Instructions Wee think they did like wise & honest men to refuse to act with you & wee have a very good Charecter of the honesty prudence & truth of severall of them but wee shall suspend our Judgem<sup>t</sup> of the matter untill your arrivall in England and that wee have of the allegations on both sides Wee doe not approve of any reflections upon you for actions in Albemarle and shall be very ready to shew our resentm<sup>t</sup> thereof as soone as you have cleared yourself from the misdemeanors and Oppressions layd to your Charge by the Inhabitants of that County which misdemeanors are (Vizt)

1 That you seized upon two persons that came into Albemarle from Barbado's pretending they were Pyrates although they produced Cocketts & Clearements of their goods from the Governm<sup>t</sup> of Barbado's & Bermudas

2 That you kept these persons in hard durance without bringing or pretending to bring them to Tryall, in which hard durance Richard Humphrey one of the them dyed of grieffe & ill usage

3 That the said Richard Humphrey made a Will before his death & left one Thomas Pollock his Executor whom you would never admitt to prove the said Will though often required by the said Pollock to permitt him to prove it before you Nor would

not so much as suffer the Court to attest that the said Pollock had offered the Will to prove but tooke the Goods unto your own hands & converted them to your own use

4 That the said Pollock haveing sett up his name to come for England to Complaine of your Injustice you Imprison'd him without showing any reason or permitting him to see a Copy of his Mittimus

5 That you have for bribes withdrawn accusations that were for felony & Treason

6 That you did unlawfully Imprison one Robert Canon

7 That you did arbitrarily & unlawfully deteine from John Steward one Negroe and Seaven pewter dishes

8 That you did Imprison George Durant upon pretense of his haveing said some reflecting words of your self & did compell him to give you a bond for a Summe of money while hee was in durance & did afterwards on pretence of said bond Seize upon all the Estate of the said George Durant without any process or Colour of Law & Converted the same to your own use

9 That you did unjustly take from one John Tomlin his Plantation

10 That you did unlawfully deteine the Cattle of George Matthews & refuse to deliver them although there was an Order of Court for it

11 That you tooke the Plantation of John Harris upon pretence of a Sale of the same to you by the said Harris although the said Harris was under age/

12 That you unlawfully Seiz'd upon the Estate of one Mowberry

13 That you did by your power as Governor & Proprietor Seize upon severall mens Estates without process of Law & did severall unjust & arbitrary actions for which misdemeanors & other oppressions the Inhabitants of Albemarle Imprisoned you with intent to send you prisoner to England & there to accuse you, but you intreated them not to send you to England but that you would submitt all to be determined by the next general assembly, who accordingly gave Judgem<sup>t</sup> against you in all the forementioned particulars and Compelled you to abjure the Countrey for Twelve months & the Governm<sup>t</sup> for ever which proceedings of your self & the people is in our opinions prejudicial to the prerogative of the Crowne & the honour and dignity of us the Proprietors Wherefore as in duty bound

& for our owne Vindication wee are Resolved to have this matter thoroughly inquired into that wee may take such Course for the preventing such Disorders for the future as shall appeare most fitting for the asserting of their Maj<sup>ties</sup> prerogative the peace of our Province the Just Liberties of the people and the vindication of our selves but are unwilling to proceed therein untill wee have first spoke with you Wherefore desire & require that you come speedily for England that wee may have a full & cleare Information of all matters & be thereby Enabled to know how to proceed and if you shall refuse or delay to come Wee cannot avoid thinking you guiltye of all the misdemeanors layd to your Charge & shall be constrained for our Vindication & to shew our abhorrence of the injustice and Oppression practised by any of our number to lay the whole matter before the King & pray his Mandamus for your appearance here to answer what shall be objected against you which wee hope you will not compell us to Wee being unwilling to make you a publique shame or to bring you under a prosecution wee ourselves cannot stopp when once began

Our Deputys had orders from us not to call any Parliam<sup>t</sup> in Carolina w<sup>th</sup>out directions from us Unless some very Extraordinary occasion should require it Wherefore wee cannot blame them for following our Instructions nor can wee approve of yo<sup>r</sup> Encourageing the people to Petition for a Parliament or calling one because they did petition tumultuous petitions, being prohibited by act of Parliament herewith a severe penaltie upon such as shall breake that Law And wee know not how farr such ill example in Carolina may influence his Maj<sup>ties</sup> Subjects in his other American Plantations but since you write that the Inhabitants have Instructions to Depute two persons for our better Information of all matters Wee have Directed our Deputye to Consent to the calling of a Parliam<sup>t</sup> for that purpose for any Parliam<sup>t</sup> called by you without consent of such Deputys as are not directly impowred by us Wee cannot allow to be a Parliament nor can wee tell how to Justify our owne consenting to any acts made by such Assembly

Wee here Inclosed send you Coppy of some articles under the hands & seales of the Proprietors in 1672 to which my Lord Clarendon Set his hand & Seale and to which any that Claim under him are bound Wee have no thoughts nor Intentions to doe you wrong or Injury but on the other side wee shall not ¶mit

ourselves to be Imposed on Nor his Maj<sup>ties</sup>= Subjects that Live under our Governm<sup>t</sup> to be opprest or unjustly dealt with by any Persons whatsoever and shall much rather surrender our Governm<sup>t</sup> to the King then suffer it If it be not remedied otherwayes ffor wee have noe other interest to keep the Governm<sup>t</sup> in our hands but that wee may be able to assure people they shall not be opprest by the Governm<sup>t</sup> and thereby encourage them to come to Carolina to take our Land & pay us the rent for it is not our Intentions to make profit by the Governm<sup>t</sup> ourselves Or to suffer any Officers under us to Oppress the people by Extravagant fees & grow rich by the ruine of the people Wee rest

The Case of the freemen of Carolina humbly represented to the R<sup>tt</sup> Hon<sup>ble</sup> Phillipp Ludwell Esq<sup>r</sup> Governor & Cap<sup>t</sup> Generall of all the fforces of the s<sup>d</sup> Province And to the rest of the Hon<sup>ble</sup> the Lords Proprietors Deputies

Charles the Second of happy memory of England and &c late King did in his Royall Charters beareing date y<sup>e</sup> 30<sup>th</sup> day of June in the 17<sup>th</sup> yeare of his Reigne, Give & Grant unto the R<sup>t</sup> hon<sup>ble</sup> the Lords Prop<sup>rs</sup>= of the Province of Carolina Ample Rights Instructions Priviledges Prerogatives Royaltys Libertys Imunitys & ffranchises ffor the good & happy Governm<sup>t</sup> of the s<sup>d</sup> Province & the people there inhabitting or to Inhabitt & of his speciall grace towards the said people in the said Charters hath made Provisions that no Laws Orders or Ordinances which either appertaine to the publique state of the Province or the private utility of particular p<sup>rs</sup>ons or which extend to the binding Chargeing or takeing away of the rights or Interest of any p<sup>rs</sup>on or p<sup>rs</sup>ons in their ffreehold goods or Chattells whatsoever shall be ordained made Enacted or published but by & with the advice assent & approbation of the ffreemen of the said Province or the greater part of them, or of their Deputies, and hath alsoe, in the said Charter taken care that no subsidies or Customs shall be payable for or assessed upon any goods fforreigne or Native but by & with the Consent of the free people there or the greater part of them as aforesaid which Charters (now their Lordships have been pleased to null & make Voyd the ffundamentall Constitutions or Rules of Governm<sup>t</sup> which the greater part of the people had approved assented & subscribed to) are the only true basis from by & according to which all other Laws Methods & Rules of Governm<sup>t</sup> which anywaies concerned the Peoples Lives Liberties ffreeholds goods or Chattells of the Inhabitants of this Province ought or Legally can be taken derived & Enacted And by these (as by the before recited words and Clauses) It is plaine & evident the greater part of the ffreemen or ffreeholders of Carolina have the Libertye power, priviledge & right to Enact such Lawes, The Lords Proprietors are Judges of the manner & forme (i e) of the time & place whether they shall be assembled by Countys Barrony's or Collony's or the Inhabitants of the whole Province in one Bodye

The Kings of England from time to time as markes of their royall favours for especiall & signall meritts of their Subjects have granted to Counties City's & Burroughs to send one, two, or as

many as they thought Convenient Deputys to their Parliam<sup>ts</sup>: and still have the power to grant the same to as many more as in their wisdomes shall be thought to deserve the same

King Charles the Second of his paternall care for the welfare of his Subjects and because (by reason of the remoteness of this Province from the Kingdome of England) hee could not p<sup>er</sup>sonally discover the Injuries & oppressions (if any such should happen) which their Lordshipps Governors of these his people might in process of time bring upon these his subjects Hath by these Charters provided that noe Lawes, Orders or Ordinances which Extend to the bindeing, Chargeing, or takeing away of the Rights or Interest of any person, or persons in their ffreehold goods or Chattells whatsoever, shall be ordained made Enacted or published but by & with the advice, assent, and approbation of the ffreemen of the said Province or the greater part of them, or of their Deputies The number of which Deputys, they have right to nominate and appoint Wee therefore humbly conceive that noe Conventions of Persons whose Numbers as well as names are not appointed by the greater part of the ffreemen of Carolina as aforesaid are Legally quallified to Enact such Laws, and doe hereby presume that all Laws as aforesaid made or p<sup>re</sup>tended to be made by any p<sup>er</sup>sons whatsoever not appointed as aforesaid, are not bindeing & ought not to extend to the bindeing Chargeing or takeing away of the right or Interest of any p<sup>er</sup>son or p<sup>er</sup>sons in their Freehold Goods or Chattells whatsoever

Wee have directed the surveyor generall forthwith to sett out two countys one of the North of Berkley county which is to be Called Craven county and the other South which is to be called Colleton County to divide them into squares of twelve thousand acres which when done you are to observe the following Rules in the grants you pass for Lands in the Same and all other that hereafter be sett out untill you have other orders from us × ×

1 In the first place you are to make choice of in all Navigable Rivers in each County to be sett out a peece of Land of five hundred acres whereon to build the port Towne for that River in y<sup>e</sup> choice of which you are to have regard to the following particulars viz= That it be as farr up as the biggest ship that can come over the barr of the said River can safely and conveniently sayle, The Land yow make choice of to be so high above high water marke that there may be convenient Sellers made under ground that there be plenty of wholesome water easy to be come at. That it be (if possible) farr from Marshes swamps or standing water × ×

2 The Square wherein the five hundred acres shall be by you made choice of for a port Towne is to be a Colony, soe are the two next squares on the same side of the River adjoyning to it and so are the squares in behind them from the River which six are to be a precinct and noe one man shall have in any of them nor any of the three squares on y<sup>e</sup> other Side of y<sup>e</sup> River opposite to them above the proportion following viz= a proprietor eight hundred Acres any Landgrave that heath built a house in the said Towne and heath right to so much Land over and above his Baronys

six hundred acres. a Cassique that heath built a house in the Said Towne and heath right to so much Land over and above his Barronys four hundred acres any other person that heath right to so much Land and shall build a house in the said Towne two hundred acres and noe more, so that there may be roome for a good number of people to sitt downe together for the better strengthening of the place and whosoever doth take up Land in any of the said nine squares according to the said proportions may have as much front to the River as one fifth part of the depth or side lines of his land is in from the River X X

3 You are to consider of a convenient place for a ferry upon Navigable River and having pitched upon a place convenient you are to order to be sett out one thousand acres which whosoever takes up shall be obleidged to keep a ferry for the ferryeing over men and horses at such pryce as Shall be agreed on by the Governor and Councill and when you pass a Grant for the said Land you are to Incert the condition for keeping a ferry in the Grant besides the rent X X X

4 Any Landgrave or Cassique makeing it appeare to you that he is soe either by produceing his patent or being signified to you by us that wee have soe created him and having subscribed in the book for that purpose provided to bear faith and true allegiance to our soveraigne Lord and Lady the king and queen their Heirs & Successors and to be true and faithfull to y<sup>e</sup> Lords proprietors their heirs and Successors you are then to Issue out your orders to the surveyor Generall to admeasure out unto him as many of the squars for Baronys in the said County as of right doe belong unto him and he is willing to take up and are not made choice of by yow for a precinct for the Towne nor are before made choice of any other that hath right to choose provided that each Barony be in one entire peece and that in noe one county there be above four Baronys Sett out to the Landgraves, four to Cassiques nor above eight Seignorys to the Lords proprietors so that in every county there shall be four and twenty of the forty squares remayning for the use of y<sup>e</sup> people nor are yow in any County to suffer the people to posses more then four and twenty squares soe that sixteen intire squares may be left for the seignorys and Baronys. which Baronys you are to pass Grants for at the rent of twenty pounds  $\text{£}20$  annum. as wee have apoynted by our order under our hands & Seales bearing date the thirteenth

day of May in the year of our Lord one thousand six hundred and ninety one. × ×

5 Any of the squares of a County that are made choice of by a proprietor shall be a seignory and yow are to pass Grants for the same to the Respective Proprietors who shall take up such squares reserving onely one eare of Indian corne rent when Lawfully Demanded. × ×

William Earle of Craven Lord Viscount Craven Baron of Hampstead Marshall Palatine and the rest of the true and absolute Lords & prop<sup>rs</sup>: of y<sup>e</sup> province of Carolina

To all whom These presents shall come Greeting

Know ye y<sup>t</sup> whereas wee did publish and under our hands and Seales apoint Constitutions of Government for the province of Carolina wherein among other things it was provided that every flforraigner that should Subscribe the said Constitutions and take an oath to beare faith and true allegiance to our soveraigne Lord the King His Heirs and Successors and to be true and faithfull to us the Lords proprietors our heirs and Successors should be naturalized and enjoy all the same privileges with English men And Whereas the inhabitants of the said province has declared they would rather be Governed by the powers Granted to us by our Charter or Letters patent from the Crowne and wee our selves being of opinion it may be more for the quiet of the inhabitants and protection of the good and orderly inhabitants of our said province and speedyer bringing to Justice all such as shall break the Laws in favouring of pyrats or Injuring the indians or other things. have also thought fitt to Governe the said province by the full power Granted to us by our said Constitutions there is now noe provizion for the securing the descent of the reall Esteats of flforreigners to their next Heirs or to such to whom by their Last Wills and Testaments. they shall bequeath the same butt doe by Law escheat to us who are the true and absolute Lords and Proprietors of the said Province Yett wee being unwilling to take advantage of the Inconveniencys. the said flforreigners have contributed to bring on themselves by Joyning with those who oposed the receiving the said Constitutions for the security of the descent of their reall Estates to their posterity or to such to whom they shall by their Last wills and Testaments bequeath the same Doe Hereby promise and declare for ourselves our Heirs Successors and assignes not to take the advantage of the

forfeiture of any Aliens estate that shall escheat to us upon his death that heath taken out Grants for the same and duely paid the rent of one peny ʒ aker of all Lands he hath possest in Carolina not bought of us and the like of all Land bought of us and paid for butt will Suffer the same to goe to and be enjoyed by the next of Kin to the said person that is deceased or by the person to whom by his last will and Testament he shall bequeath the same and at their request will convey the said reall estate to the said persons according to the forme wee have apointed for Granting of Land in Carolina without any other Conditions then such as were contayned in the Grant to the Alien deceased and without any other Charge then the usuall fees for such Grants. And our Will and pleasure is that this our Grant be Registered in the Secretarys and Registers office in Carolina that it may remaine upon Record in the said province and be binding to us our Heirs and Successors and assignes In Witness whereof wee have hereunto Sett our hands & Seales this twelfth day of Aprill 1693

Wee have seen an Act past in Carolina Intituled an Act to provide Indifferent Jury men in all causes Civill and Criminall which Act requiring the Sheriffe of each County to devide all the Persons of each County into twelves and them write in papers and two papers of twelve names each to be drawne and the persons whose names are therein contained to be Sumoned to serve as Jury men the next Court after Such draught and then one of the said papers drawne againe and the persons whose names are written in the paper thus last drawne to be the Jury for tryall of Causes. We Judge to be very unreasonable and many wayes dangerous and Tending to the leaveing the most Enarmous Crimes unpunisht especially Pyracy for it will thereby be in the power of the sheriffe so to devide the twelves for each paper that there shall be in every paper some notorious favorers of pyrats who Comeing prepared for it. may be able to constraine the rest of the Jury to consent to what Verdict they please, Which being contrary to their Maj<sup>ties</sup>: Service and dangerous to the peace perhaps of England it selfe, and the said Act being in other things very dangerous to the Inhabitants of our Province and Contrary to the Laws of England as it is declared in the Bill of Rights passed in their present Majestys Reigne. Wee have thought fitt to dissent to and thereby have made the same null and voyd and doe require you nott to Suffer the same to be putt in Execution as a Law in Carolina and that you doe forthwith upon receipt hereof give notice of our dissent to the said Act to y<sup>e</sup>

respective sheriffs of the Countys there and that the said Law is thereby vacated and ceased to be a Law and that they are not to putt the said Act in Execution as a Law any Longer. Wee have also seen another Act Intituled an Act to regulate Regulate<sup>d</sup> Elections of Members of the Generall Assembly which Act enabling all persons that make oath they are worth ten pounds to give their vote for Members of y<sup>e</sup> Assembly and all the Members for the present being chosen for the Countys. Wee are of opinion they ought all to be ffreeholders that elect and the said Act nott mentioning how longe any person worth Ten pounds must have been an Inhabitant of the County before he be admitted to vote for Members of the Assembly, It is so loose that by this Act all the pyrats that were in the shipe that had been plundering in the Red Sea had been quallified to vote for Representatives in Carolina which being of dangerous consequence to the inhabitants, Wee have thought fitt to dissent to that Act also, butt have Cheerfully passed and under our hands and Seales ratifyed and confirmed the Act Intituled an Act for the better observation of y<sup>e</sup> Lords day comonly Called Sunday and are as well pleased with all those that voted for it and wee hope that you will take great care the said Act be strictly put in Execution

Wee have also ratified and confirmed the Act intituled an Act to prevent Swine going loose or at large in or about Charles Towne and to prevent Nusances and Shall be alwayes ready to consent to any other Act that wee are convinced is for the good or conveniency of the inhabitants of our Province

Wee have thought fitt to Send you additionall Instructions about passing Laws in Carolina which you are to observe and wee doe require that you ratifye no law that diminisheth or altereth any of the powers granted to us in our Charter from the Crowne but when any such bill is past in the Generall Assembly & consented to by our selves you are to Send the Same unto us for our aprobaton and consent befor you ratify the same our intent and meaning being that nothing of that nature should be putt in Execution as a Law in Carolina untill wee our selves have consented to it ×

The french have complained to us that they are threatned to have their Estates taken from their Children after their death

<sup>1</sup>The first "regulate" is the last word on page 93. "Regulate" is the first word on page 94. Between them on an unpagged leaf is recorded "Instructions for Granting of Land".

because they are Aliens now many of them have bought the Land they Enjoy of us and if their estates are forfeited they Escheat to us and god forbidd that wee should take the advantage of y<sup>e</sup> forfeiture nor doe wee soe intend and therefore have Sent our Declaration under our hands & Seales to that purpose Which wee will Shall be registred in the Secretarys and Registers office that it may Remaine upon Record in Carolina and be obleidging to our Heirs Successors and assignes, They also complaine that they are required to begin their Divine Worshipe at y<sup>e</sup> same time that the English doe which is inconvenient to them in Regard that severall of their Congregation liveing out of the Towne are forced to come and goe by water and for y<sup>e</sup> Convenience of such they begin their Divine worship earlyer or later as the Tide serves in which wee would have them not Molested

They complaine also that they are told the Marriages made by their Ministrers is not Lawfull because they are not ordained by some Bishop and their Children that are begotten in such Marriages are Bastards Wee have power by our Patent to grant Liberty of conscience in Carolina. And it is Granted by Act of Parliament here and persons are Married in the Dutch and ffrench Churches by Ministers that were never ordained and yett wee have not hard that the Children begotten in such marriages are reputed unlawfull or bastards and this Seems to us oposite to that Liberty of conscience their Majesties have consented to here and wee pursuant to the power Granted to us have Granted in Carolina × × ×

Wee desire these things may be remedied and that their Complaint of all kind be heard with favour and that they have equall Justice with English men and Enjoy the Same priviledges it being for their Majesties Service to have as many of them as we can in Carolina × × ×

Wee would have them receive all manar of Just incouragem<sup>t</sup>: whatsoever and we would have you send for y<sup>e</sup> cheife of them and give them asurance of it

Wee find that M<sup>r</sup>. Joshua Hobson Deputy to M<sup>r</sup>. Grimball in the Secretarys office did Suffer for the refusing to submitt to the usurped authority of M<sup>r</sup>. Sothell wherefore wee are willing that he should be incouraged and would not have him hindred from pleading in the Courts there as well as assisting him as his Deputy in Secretarys office, The which wee doe in favour to the s<sup>d</sup>. Joshua Hobson as well as to ease our Secretary who being

to Send us constant copys of all that passeth in the Council and Parliament there, for which he hath noe fees wee would not have his charge augmented by forcing him to allow Mr. Hobson a greater salary to Incourage him to continue his Deputy and this wee would done unless you can give us Some very substantiall reason to the contrary × ×

Wee observe in the Act about Jurys the fines of those Jury men that doe not apeare are apointed to be paid to y<sup>e</sup> Treasurer to be disposed of as the Generall Assembly shall direct Wee doe not find one president that the Parliament of England have ever reserved any money either out of Taxes or forfeitures to be disposed of by themselves, And by our Grant from the Crowne the Laws of Carolina are to be as near as may be agreeable to the Laws of England. Wherefore wee desire you to be cautious how you pass any Such Clauses for the future. for we shall consider very well befor wee pass any such, all publique money in Carolina must be disposed of by our order or consent × × ×

And wee also desire that in all Acts or other publique writings you give us the same Stile that is given to us by the Crowne in our patent of true and absolute Lords Which Title gives us no more power then the patent it selfe doth nor doe wee claime more thereby × × × × ×

Wee have thought fitt to apoint Mr. Thomas Smith to be Sheriff or Cheif Judge of Berkly County by which Imployment wee doe not understand that he is incapacitated to serve as a Deputy butt may continue in that station alsoe wee comitt you to protection of Almighty God and rest

Wee think good to give you a Small Abstract of a former Letter to you of the 29<sup>th</sup> of November 1693: wherein wee earnestly Signified. our Great Dislike of your entertayning or in any wise Coniving at the releife or Succouring of any Pyrats especially of that Grand one from the Red Sea who there plundered y<sup>e</sup> Mogulls Subjects as wee have been Informed of, which wee desire an Acco<sup>tt</sup> in your next to us

Wee also Expect an Accompt of the murder of Westbrooke by a Savanah Indian. hoping that you have been diligent. to Search into the truth thereof, and punish the Same according to Justice, butt Since that time, wee have Recd yours of y<sup>e</sup> i2<sup>o</sup>— of October i693, whereby wee are Surprized at the Strong ferment of Discontent amongst the people. as alsoe of your despair to Alley and accomodate the Same and therefore of your Intentions and of many of the people to remove into other parts of America without giving us y<sup>e</sup> particular Causes of this great discontent. Laying the same only upon a Generall faction of a Long Date amongst you, Hopeing therefore that this our Letter may find the Strong discontented humour of the people more allayed and your owne feares more Abated, Wee desire y<sup>e</sup> principall aggrevances may be in particular represented to us by the first Ships, And wee doubt not. but to give the people all reasonable Satisfaction on our part, In the Mean time wee desire you to assist our Receiver

Generall in gathering our quitt Rents either in Money, or in the true and full value in Such Comoditys of the produce of the Country as you both shall think fitt, Wee expect our arrears to be gathered gradually. there being foure yeares due at Lady day Last, Wee Expect that before Michaelmas day next, Two yeares Rent be Collected, And So every year two yeares together. untill the whole arreares be Satisfied, And this wee Look on as reasonable haveing at the beginning of our Planting that Colony: allowed fifteen years time free of all quitt Rents, whereas noe other Country though. pretending great Matters to encourage the new Settlement ever allowed Soe farr as wee can understand above two or three years. And whereas wee understand by Some accounts thence that vast quantitys of Land as Seventy thousand akers are taken up on our Accompts in your parts, And thereby the Plantations lye in Great distances and the Countys uninhabited wee therefore by the first Shipp, alsoe desire a true Accompt of y<sup>e</sup> same Wee wonder whey our Generall Pardon was not delivered with the rest of our writings, being Sent in the Same box, for want of which Wee understand many ¶sons are allmost ruined by Contentious Suites at Law one against the other of which wee desire a Speedy Accompt

And whereas you say the people Complaine that noe Rent or purchase money can be paid with Safety. because all the Lords have not Joined in the power to that purpose Sent by them nor any full or Common agreement of theirs to Impower a Lesser number to Authorize the doeing of any of those things and putting in Execution the powers of the Patent from the Crowne

The Meaning of this Complaint must be either that it is not the Majority of the Lords Prop<sup>r</sup>s that doe Act in this Case or that a majority is not Sufficient, If it be the first, it is a mistake: for the Lords Prop<sup>r</sup>s. being an Equall number, And the Pallatine by them appointed: being to have a Casting voyce. then foure in Eight. of which the Lord Pallatine is one: makes a majority, If it be the Second It is upon a Maxime that overturns all Manner of Acting in assembly Corporation, or any body politick of Men

As to the Miscarriage of what wee ordered Concerning y<sup>e</sup> wharfes wee are willing to Gratifye the ¶sons concerned therein, therefore doe hereby order that each man that had a front Lott in Charles Towne have the advantage of it. If he would wharfe to Save the Streett he may have the benefitt to Low water marke

Provided that all those the owners of Such Lotts. Should Con-  
tribute to repairing the Ends of the Streetts and keeping of them.  
So that all people that please may Land there  
Wee Hereby further Signifye unto you, that the R<sup>t</sup> Hon<sup>ble</sup>: The  
Earle of Bathe, who is one of the Kings Privy Councill is ad-  
mitted as one of the Lords Prop<sup>r</sup>s in the Roome of the Duke  
of Albemarle Lately Deceased, He haveing the said Right. by a  
verdict in the Kings Bench a Decree in Chancery and that con-

Whereas wee have heard great Complaints have been made  
by the people upon our Dissent to a Certaine Late Act Concerning  
Jurys, That it may appeare to you that what was done in that  
Case was by us understood to be for the better advantage of the  
people and for the Saving to them a better forme, which they  
are provided with in our Constitutions,<sup>1</sup> Wee doe hereby give you  
our Directions. And Authorize you our Governor and Deputys,  
To give your Assent to and Ratifye any Act that shall be drawne

is the following

 to us by you) by which you are much more Subjected to ill prac-

Wee Writt to You the Second of october Last & therein Did acquaint You that Wee had Isshued out Writts for an Assembly to be Chosen onely of Barkley & Colliton Countyes, & y<sup>t</sup> Wee had left out Craven County its Inhabitants being ffew, & those all ffrench, since Which time arived here to trade a Small Ketch from New Yorke Navigated by ffrench, the Collector Seized & Exhibeted an Informacon ag<sup>t</sup>: her in our Court of Pleas for being Sailed Contrary to y<sup>e</sup> acts of trade & Navigacon, upon her tryall the Jury found for y<sup>e</sup> Inform<sup>t</sup>= The Councill for y<sup>e</sup> Ketch Peticoned y<sup>e</sup> Govern<sup>r</sup> for a Writt of Error Which Was granted him, & a Suspension of Judgm<sup>t</sup>= in y<sup>e</sup> Court of Pleas till y<sup>e</sup> Errors were argued in our Councill as in Such Cases is Usual the Errors assigned were foure which You Will See att Large by y<sup>e</sup> Coppy of y<sup>e</sup> records herewith Sent & Wee Shall herein make Some small resitall of them for y<sup>e</sup> better Clearing of y<sup>e</sup> Matter to You./

The ffirst Errors Assigned is y<sup>e</sup> Inform<sup>t</sup>= being an Alien Enemy & So Could not Have any accon./

My Lords y<sup>e</sup> Inform<sup>t</sup>: Was borne a Subject of y<sup>e</sup> ffrench Kings, Never naturalized nor Denize<sup>d</sup>=, but hath Lived Twenty Yeares under y<sup>e</sup> protection of y<sup>e</sup> King of England, & is Comiconed by y<sup>e</sup> Officers of y<sup>e</sup> Custome House in London to be his Maj<sup>ties</sup>= Colector for Carolina, & hath Swoorne Allegiance./

The Second Error: Assigned is that there Was not an Isshew Joyned &c./

Tis true there is not any replicacon of y<sup>e</sup> Inform<sup>t</sup>= to y<sup>e</sup> Plea & Demurrer of y<sup>e</sup> Defend<sup>t</sup>:, but y<sup>e</sup> Defend<sup>t</sup>: proceedeing Without it & Evidences being produced & Sworne, & Examined one both sides before y<sup>e</sup> Jury (Quere) if y<sup>e</sup> Defend<sup>t</sup>: did not make it Isshuable by his So Doing./

The Third Error Assigned is that one of y<sup>e</sup> Jury was an Alien Borne./

This Allien Borne is Naturaliz<sup>d</sup>= by act of Parlim<sup>t</sup>= in England as appeares by an Exemplificacon of y<sup>e</sup> Said act which hee hath here produced to us./

The ffourth Error Assigned is the Ambiguity of y<sup>e</sup> Verdict &c= My Lords y<sup>e</sup> reason of y<sup>e</sup> Verdicts being as it is, Wee Imagine to be y<sup>e</sup> Juryes, not being Willing to medle with y<sup>e</sup> Validity of Denizacon, for y<sup>e</sup> Ketch was Navigated by foure men, that is

to Say, y<sup>e</sup> Master, & three Sailers y<sup>e</sup> Master & two of y<sup>e</sup> Sailers are Denizens y<sup>e</sup> other is an Allien./

Yo<sup>r</sup> Lordp<sup>s</sup>= will find by y<sup>e</sup> words, y<sup>t</sup> wee Did not think fitt to give our Judgm<sup>t</sup>= On y<sup>e</sup> Erro<sup>r</sup>= but have Left it to You, to take y<sup>e</sup> advise of y<sup>e</sup> Learned in y<sup>e</sup> Law in y<sup>e</sup> Matter, & Have Taken Security for y<sup>e</sup> Ketch, & Cargo if Shall be Condemned by You/

We have had many disputes about y<sup>e</sup> Validity of Denizacon, Some aleidge they are a Sufficient qualification for Masters, & Sailors according to y<sup>e</sup> acts of Trade & Navigacon & Others averr y<sup>e</sup> Contrary Wherefore Wee pray Yo<sup>r</sup> Lordp<sup>s</sup>= to give us Yo<sup>r</sup> advise & Direcons in Such Cases & lett us Know if anything Less then A Naturalizacon be a Sufficient Qualificacon in Law My Lords Wee must pray yo<sup>r</sup> Lordp<sup>s</sup>= Answer in this Matter as sone as posable because y<sup>t</sup> till wee heare from you y<sup>e</sup> Securyty Canot be Discharg<sup>d</sup>= in y<sup>e</sup> meane time Wee pray for Yo<sup>r</sup> Lordp<sup>s</sup>= Helth & Long Lives & are

other Aliens into other places of Publick Trust, before wee have Yo<sup>r</sup> Lordp<sup>s</sup>: farther Directions & Comands ab<sup>t</sup>: that Matter or Can gett an act past heare for giveing them So many priviledges as wee Can or dare, we had hopes to have passed one in their ffavor this Session of the Assembly which Adjourned Yesterday to the 23<sup>d</sup>: of ffebruary Next but the Leadeing men of the ffrench refused to peticon the Asembly for a Bill which wee beleive (if they had Asked for) they might have had this obstinancy of these ffrench Gentlemen have made Such an Impretion on Some others of them that were willing to peticon that they planely tell us that all or Most of the Leading men of those which will not Consent to aske for what they very much want & desier is because they Expect they Shall bee required to take the oath of alegiance to his Majesty &c which because they Expect to retorne home to ffrance to their Estates there in Som Short Time, they beleive will bee the occasion of Som Trouble or Difficulty to them in their repossessing of their Estates, for these men Do beleive that the warr betweene the Crownes of England and ffrance canot End but with the Restoracon of all the ffrench ¶testants to their Native Kingdom and Estates To obviate this Difficulty and answ<sup>r</sup> the Ends of those ffrench y<sup>t</sup> Really Designe to Live and Dye heare and are Willing to accept of yo<sup>r</sup> Lordp<sup>s</sup>= ffavors and the peoples heare, in giveing them Such priviledges as Shall bee thought Convenient wee hope to find out a way to gett an act past in the Next Assembly that as many of them as realy Do Desier to bee Naturalized and will take the oath of Allegiance &c: and Do Such other reasonable things as by the S<sup>d</sup>: act they Shall be Enjoyed To Do may bee Singly Naturalized the Assembly not Sitting, and in the meane time wee Will take Care that they Shall Enjoy all the priviledges they have heitherto Enjoyed without Disturbance And may it please Yo<sup>r</sup> Lordp<sup>s</sup>= to bee farther informed that the frequent advice we have of the ffrench's Designe upon this place more perticularly Late Informacon upon Oath that the admirall of the ffrench fletee that Lay Last Sumer before the Havana Did ord<sup>r</sup> the Same fletee to meete him there againe Early this Spring to take or Burne Charles Towne which ord<sup>rs</sup>= the Inform<sup>t</sup>= then a prisoner on board the admirall Saith he heard, Did necessitate us to admitt of this Session of this Assembly to Expedit the Building of a fort in Charles Towne which an act made before had appointed but wanted power to press men

and Materialls to Carry on that work time Enough to prevent this Designe of the french against us, which this Last act hath Sufficiently ~~provided~~ against, wee also wanted a Store of powdr: which wee hope by an act made this Session we Shall bee Supplied with (att Least Enough till wee receive that wee Sent for to England by Cap<sup>t</sup>= Edmund Belinger

To have Disolved this assembly and have Called an other according to Yo<sup>r</sup> Lordp<sup>s</sup>= ord<sup>s</sup>= and the Rules & Methods of Yo<sup>r</sup> Instrucons would have Left So much time as that we Could not reasonably have Expected to have Done any thing with them in time Enough to have made us Capable to oppose any attempts may bee made upon us next Sumer by o<sup>r</sup> Enemies

Charles-Town in South Carolina y<sup>e</sup>. 12<sup>th</sup>. of March 1697/8/  
May it Please your Lordships.

Y<sup>rs</sup>. of y<sup>e</sup> 30<sup>th</sup>: of Aug<sup>st</sup>: by Cap<sup>t</sup>. Stow we have Receiv'd. We were in a short Time after y<sup>e</sup>. Passing of that Act of Assembly Entituled an Act declaratory concerning indifferent Jurymen in all Causes Civill and Criminal, Conscious that y<sup>e</sup>. same ought not to be so Pass'd, and have Practically ever since Omitted y<sup>e</sup>. Putting of it in Execution, and had (if it had not been first sent to Y<sup>r</sup>. Lordships for your Approbation) Repealed it before this Time.

We have sent to y<sup>r</sup>. Lordships Copies of all Acts of Assembly which we Conceiv'd had any Relation to or Concern'd y<sup>r</sup>. Lordship's Lands, Rights, Rents, Revenues or Prerogatives whatsoever and y<sup>e</sup>. Titles of all Collony Laws.

We have had y<sup>e</sup>. Small Pox amongst us Nine or ten Months, which hath been very Infectious and mortall, we have lost by the Distemper 200 or 300 Persons, and

On the 24<sup>th</sup>: of Feb<sup>r</sup>. last a Fire broake out in y<sup>e</sup>. Night in Charles Town, which hath Burnt y<sup>e</sup>. Dwelling, Store and Out Houses of at least fifty Families, and hath Consumed (it is generally Beleived) in Houses & Goods the Value of 30000<sup>£</sup> Ster: w<sup>ch</sup>. with y<sup>e</sup>. Small Pox we observe to be a great Disheartening to y<sup>e</sup>. Planter & March<sup>t</sup>., Deadens Trade & Discourages Persons from abroad to Settle here. It will be necessary, to make these Afflictions easie and less taken Notice of, that we find out some waies of Encouragem<sup>t</sup>. to Draw new Setlers hither, w<sup>ch</sup>. we hope w<sup>th</sup>. your Hon<sup>rs</sup>. good likeing, may be done without any great Charge to your Lordships, & to y<sup>e</sup>. great Interest in y<sup>e</sup>. Conclusion, So wishing y<sup>r</sup>. Lordships Long Lives & Happiness we Crave leave to Subscribe our selves Y<sup>r</sup> Lordships most humble Serv<sup>ts</sup>. Charles-Town in Carolina March y<sup>e</sup>. 14<sup>th</sup>. 1697/8/  
May it please Y<sup>r</sup>. Lordships,

We have Receiv'd y<sup>r</sup>'s of y<sup>e</sup>. Twentieth of Decemb<sup>r</sup>. 1697 by Cap<sup>t</sup>. Cole.

The Govern<sup>r</sup>. of Bermuda by Cap<sup>t</sup>. Stowe (haveing first Recorded it) hath Sent us his Majestie's Proclamation for a Peace w<sup>th</sup>— France, w<sup>ch</sup>. we have Publickly, Sol-  
emnly and Joyfully published, and will take Care (as farr as in

us lies) That y<sup>e</sup>. Articles of Peace between y<sup>e</sup> two Crowns of England and France be strictly Observed.

Govern<sup>r</sup>. Blake hath been Pleas'd to Communicate to us y<sup>r</sup>. Councill here, That the Lords Comission<sup>rs</sup>. for y<sup>e</sup>. Plantation Trade do Require of your Hon<sup>rs</sup>. an Obligation Penalty 3000<sup>£</sup> for his your Govern<sup>r</sup>'s. Observance Performance and Obedience of and to all such Directions & Instructions as from time to time shall be Sent to him from y<sup>e</sup>. King's most Excellent Majestie &c. He hath been Pleas'd to let us further Know the way and manner he Intends to Answer y<sup>e</sup>. Commission<sup>rs</sup>. Demands, or to Save harmless y<sup>r</sup>. Hon<sup>rs</sup>. if necessarily y<sup>r</sup>. Lordships must give y<sup>e</sup>. Obligation for Observance as afores<sup>d</sup>., with the Names of y<sup>e</sup>. Persons he makes Use of for Sureties who are Mr. James Stan-yarn and Mr. Jonathan Amory, both w<sup>ch</sup>. are very sober, honest, able & Substantiall Persons.

Y<sup>r</sup>. Councill after the Signing of y<sup>e</sup>. Enclosed, & before Cap<sup>t</sup>. Cole came in, was Adjourn'd and Dispersed so that they cannot all be gott together before Cap<sup>t</sup>. Stow saies he will Sail, Therefore we Desire our further and more ample Answer to y<sup>r</sup>. Lordships by Cole, 'till his Return or another Oppertunity, So wishing y<sup>r</sup>. Lordships all Health and Happiness we begg Leave to Subscribe our selves y<sup>r</sup>. Lordships. most humble Serv<sup>ts</sup>.

Charles Town in Carolina Aprill y<sup>e</sup>. 23<sup>d</sup>.

May it Please y<sup>r</sup>. Lordships,

To y<sup>r</sup>. Lordships of y<sup>e</sup>. 20<sup>th</sup>. of December 1697 Sent by Cap<sup>t</sup>. Cole, in ours by Cap<sup>t</sup>. Stow (a Duplicate of w<sup>ch</sup>. is Inclosed) we Answered to, as much as y<sup>e</sup>. Shortness of y<sup>e</sup>. Time & Number of y<sup>r</sup>. Dep<sup>ties</sup>. then in Town would Admitt of.

As to M<sup>rs</sup>. Nottle's Petition to your Lordships; Please to be Informed, that there hath not been any thing specially done here by y<sup>r</sup>. Councill relateing to y<sup>e</sup>. Disposeall of her Land: It became Escheated to y<sup>r</sup>. Lordships for Want of Paym<sup>t</sup>. of Arrears of Rent, or Chattells upon it upon w<sup>ch</sup>. Distress might have been made for y<sup>e</sup>. same by Vertue of an Act of Assembly, a Copy of w<sup>ch</sup>. is Inclosed, and so of Course, (as all other Escheated Lands) was Granted to y<sup>e</sup>. first Person willing to take up the same.

But y<sup>e</sup>. better to Enable us to give y<sup>r</sup>. Lordships a full Acc<sup>t</sup>. of y<sup>e</sup>. Matter, two of y<sup>e</sup>. Councill have Enquired of M<sup>rs</sup>. Nottles Attorneys here, w<sup>t</sup>. Orders they have at any time Receiv'd from

her about that Land when & why they Neglected to prevent y<sup>e</sup>. Escheat of it, to w<sup>ch</sup> they, her Attorneys, say, M<sup>r</sup>. Nottle did write to them about it, but neither before had, nor since hath Sent to them any thing to Pay y<sup>e</sup>. Arrears of Rent w<sup>th</sup>., and that they were not willing to Lay y<sup>e</sup>. Money out of y<sup>r</sup>. own Pocketts, because, at that time y<sup>e</sup>. Land, if possibly they could have had it, was not worth the Rent to y<sup>m</sup>., nor after it is Charged w<sup>th</sup>. a year or two more Rent, will it be worth it to any Person w<sup>ts</sup>oever: No Land w<sup>ch</sup>. hath no Stock upon it, will Lease or Lett for anything here.

We have now no Assembly in being, but as soon as we shall have (w<sup>ch</sup>. we Intend to Call so as to Sitt next Fall) we will Endeavour to gett y<sup>e</sup>. Indian Trade so Regulated, as it may be as well safe as beneficiall to y<sup>e</sup>. Collony & the Inhabitants: in the mean Time we have no Reason to Expect any Mischeif from y<sup>e</sup>. Indian Trade, the Small-Pox hath Killed so many of them, that we have little Reason to Beleive they will be Capable of doing any Harm to us for severall Years to Come, that Distemper haveing Swept off great Numbers of them 4 or 500 Miles Inland as well upon y<sup>e</sup>. Sea Cost as in our Neighbourhood, w<sup>ch</sup>. must Needs lessen y<sup>t</sup>. Trade very much: it is amongst us now, God be thanked, neither so infectious nor Mortall as it was in cold Weather.

Those Acts of Assembly w<sup>ch</sup>. our late Govern<sup>r</sup>— Archdale, by y<sup>r</sup>. Lord<sup>shps</sup>— ample & gracious Powers & Condescensions, made here, have had their Intended & desired Effects, but the Want of your Lord<sup>shps</sup>— Approbation of y<sup>m</sup>. so long, doth begin to make some Persons, w<sup>ch</sup> upon y<sup>t</sup>. Basis have paid Considerable Sums of Money for Land &c uneasie & discourages others from Purchasing & Settling. We hope y<sup>r</sup>. Lordships to remove y<sup>e</sup>. Occasion as soon as possibly you can. So wishing y<sup>r</sup>. Lord<sup>shps</sup>. long Life & Happiness, we Crave Leave to Subscribe our selves y<sup>r</sup>. Lordships most humble Serv<sup>ts</sup>.

Charles-Town on Ashly River in Carolina May y<sup>e</sup>. thirteenth 1699/

May it Please y<sup>r</sup>. Lord<sup>pps</sup>,

Y<sup>r</sup>. Lord<sup>pps</sup> Letter of y<sup>e</sup>. Tenth of Aprill 1698 Sent by Maj<sup>r</sup>. Daniell, and y<sup>rs</sup>. of y<sup>e</sup>. Sixteenth of Aug<sup>st</sup>. 1698 Sent by Cap<sup>t</sup>. Mann we have Receiv'd.

Y<sup>r</sup>. Lord<sup>pps</sup>—Constitutions sent by Maj<sup>r</sup>: Daniell We Offered to y<sup>e</sup>. Lower House for their Assent to, by a Bill of their House to be Pass'd into a Law; they Liked them not, so modestly Laid them aside, and Appointed a Committee to add to those or Draw new ones, with their Address to y<sup>r</sup>. Lord<sup>pps</sup>— for y<sup>r</sup>. gratus Acceptance &c which when done they Liked not, and have taken a longer time to Consider of both.

The ffrench here, ever since Mr. Archdale laid down the Governmt. have not been Differenced from y<sup>e</sup>. English in any manner of Usage or Concern publick or private, Except being of y<sup>e</sup>. Assembly here, w<sup>ch</sup>. the Act for their Naturalization hath not given them, and their being Jurymen in Tryalls w<sup>ch</sup>. Concern his Majestie's Revenue of his Customs &c w<sup>ch</sup>— all Aliens by an Act made in England are made unqualified for, in all other Matters they have Enjoyed all the Priviledges of English-men, and the English & they have a long Time lived together as if they were all of one Nation, the former Animosities being quite forgotten./

Mr. Secret<sup>ry</sup>. by this Conveyance send y<sup>r</sup>. Lord<sup>pps</sup>— all the Acts in fforce here.

Wee thought it fittest that Maj<sup>r</sup>. Daniell's Money for Value of his Rum condemned should be Repaid him out of the publick Treasury, into w<sup>ch</sup>. all of it (Except y<sup>e</sup>. Prosecut<sup>rs</sup> part) was paid, Wee therefore Proposed it to y<sup>e</sup>. lower House for their Concurrance with us for an Order to y<sup>e</sup>. Treasurer (for without that, none of the Publick Money can be Disposed of) to Repay it to him, but they unanimously Dissented; If y<sup>r</sup>. Lord<sup>pps</sup>— thinke fitt to have it paid him in any other Way, Please to Order it so.

Foreseeing that if their should be Occasion to make Use of that Act for Restraneing of Pyrates &c formerly Ratified by y<sup>r</sup>. Lord<sup>pps</sup>—, the Validity of it would be Disputed for the People are generally of Opinion, That it was not duly Enacted; We sent that y<sup>r</sup>. Lord<sup>pps</sup>— Sent to us to the Lower House to be passed into a Law, w<sup>ch</sup>. they would have done with a little but no materriall Alteration in respect of his Majestie's Service, But not without a Clause in y<sup>e</sup>. same Act to Declare y<sup>e</sup>. former Act of no Force, which, without y<sup>r</sup>. Lord<sup>pps</sup>— Leave Wee would not Accept of.

What y<sup>e</sup>. Country hath done for Mr. Marshall, a Person every way deserving y<sup>e</sup>. Character y<sup>r</sup>. Lord<sup>pps</sup>— give him, you will See by the Copy of an Act made here and Sent you by Mr. Secret<sup>ry</sup>., with which he seems to be very well Satisfied.

Chief Justice Bohun's Learning, Integrity & Diligence in y<sup>e</sup>. Execution of y<sup>e</sup>. Laws of England in fforce here We have yet no Experience of; But of his Neglect of and Acting contrary to y<sup>e</sup>. Laws of this y<sup>r</sup>. Colony we are too Sensible.

Nicholas Trott Esq<sup>r</sup>. arrived here ten Daies agon: We will

take Care that all y<sup>r</sup>. publick Officers shall observe such Methods as he shall Prescribe to them, for y<sup>e</sup>. better and more regular Keeping of their respective Records.

We have allready Repaired and Widened our Look-out and have taken Care for it's Managem<sup>t</sup>. to y<sup>e</sup>. best Advantage

We have allready by an Act of Assembly given Incuragem<sup>t</sup>. to y<sup>e</sup>. Pilotts to make frequent y<sup>e</sup>. Use of y<sup>e</sup>. South-Channell.

We are profoundly Sensible of and unfeignedly thankfull for y<sup>r</sup>. Lord<sup>pps</sup>. Care to Promote y<sup>e</sup>. Trade as well as y<sup>e</sup>. Increasing y<sup>e</sup>. Number of y<sup>e</sup>. Inhabitants of this y<sup>r</sup>. Plantation.

Edward Randolph Esq<sup>r</sup>. his Majestie's Survey<sup>r</sup>. Gen<sup>l</sup>l, from New-Yorke came hither, where by y<sup>r</sup>. Govern<sup>r</sup>. all y<sup>r</sup>. Dep<sup>t</sup>ies— and all other y<sup>r</sup>. Lord<sup>pps</sup>— publick Officers he was Received and Treated with all Civilities & Respects due to y<sup>e</sup>. Place he bears and y<sup>e</sup>. Trust his Majesty hath Reposed in him. After two or three Months Stay here, he Went on Board a Vessell bound for Bermuda; when the Master of that Vessel putt her under Sale for that Voyage, he Ask'd Mr. Randolph for his Permitt to go off; He told y<sup>e</sup>. Master he was y<sup>e</sup>. King's Officer and Wanted no Permitt for his Departure nor would he be Subject to y<sup>e</sup>. Colony Laws; The Master told him he had given Security in a Bond of One Thous<sup>d</sup>— Pounds not to Carry off any Person without the Govern<sup>rs</sup>. Permitt, And that without such Permitt he would not Carry him off: Mr. Randolph told him he would go on Shoar and immediately Discharge those Bonds for him; He Went to y<sup>e</sup>. Secret<sup>rys</sup>— Office & Inquired of y<sup>e</sup>. Dep<sup>y</sup> Secret<sup>y</sup>— if any such Bonds were in y<sup>e</sup>. Office, and Desired him to let him See it, w<sup>ch</sup>. as soon as he had in his Hands, he Cancelled Tore in Pieces and Went away: This Wee thought fitt to Write to you, least he should Represent this thing at home otherwise than it was. He never Ask'd the Govern<sup>r</sup>. or Secret<sup>y</sup>. for a Permitt, nor so much as Hinted that he Expected to go off without a Permitt, or without doing what y<sup>e</sup>. Act for that End made requires to be done, before a Permitt can be given to any Person.

Y<sup>r</sup>— Lord<sup>pps</sup>— Constituteing Esq<sup>r</sup>. Bohun Judge of so many of y<sup>e</sup>. highest Courts hath allready given us some Trouble, and we foresee will give us much more; ffor he Beleivs & Saies he's not Accountable in any Court or Place or before any Authority whatsoever here for any thing he can do; which Opinion we Believe encourages him to Act contrary to our Laws as he hath allready in severall Cases done, even where y<sup>e</sup>. Law hath laid a

severe Penalty upon him for so doing, and We have now an Information Exhibited ag<sup>st</sup>. him for y<sup>e</sup>. Penalty of one Hundred Pounds; We will by this Conveyance give y<sup>r</sup>— Lords<sup>pps</sup>— a particular Acc<sup>t</sup>. of all his Proceedings.

M<sup>r</sup>. Cary hath given his Acc<sup>ts</sup>. to M<sup>r</sup>. Anno D<sup>o</sup>: 1699.

May it Please Y<sup>r</sup>. Lord<sup>pps</sup>—,

Judge Bohun's Opinion of y<sup>e</sup> fulness And unlimitedness of his uncontroulable Power (as he Calls it) hath given us a Great Deal of Trouble since his Arrival here nor hath it been less Chargeable to the Country, — — In a Short time after here he acquainted y<sup>r</sup>. Councell y<sup>t</sup> he intended to call & hold a

Generall Session of Peace & Gaol Delivery we told him we thought there was no Occasion at this Time (we haveing y<sup>n</sup> but one Prisoner in Goal, for Such a Chargeable Court as y<sup>t</sup>, And delay'd him till we Saw we Could not put him of Longer without disobligeing him to Extremity y<sup>n</sup> wee Comply'd with him, And he would have y<sup>t</sup> Court sit at y<sup>e</sup> Same time y<sup>e</sup> Court of Pleas was to Sitt, Proposeing to do y<sup>e</sup> business of both Courts in as Short time as of one, Att y<sup>e</sup> Day appointed for y<sup>e</sup> Session w<sup>ch</sup> was y<sup>e</sup> Second Tuesday in May last, he Called & open'd both Courts, He Proteus like, Metamorphosed himself and Court in one & y<sup>e</sup> Same Hour without Adjournm<sup>t</sup>: from Judge of y<sup>e</sup> Pleas, into Judge of Goal Delivery And anon into Judge of y<sup>e</sup> Kings bench, And thus he Spent three Days and a half without doing more y<sup>n</sup> another might have done in two hours, he Kept y<sup>e</sup> Jurors for y<sup>e</sup> Court of Pleas undischarged three Day's And Did not try one Cause w<sup>th</sup> y<sup>m</sup>., tho formerly w<sup>n</sup> they have try'd most Causes They used to be discharged in one Day & a half, The Jurors for y<sup>e</sup> Court of Goal Delivery he kept on duty—three days & a half and try'd but one Criminnall, In his Court of Kings bench which he held at y<sup>e</sup> Same time w<sup>th</sup> ye two former, he Comitted y<sup>e</sup> Marshall of y<sup>e</sup> Admiralty to Goal for not bringing before him in his Said Court on Tuesday, Two Persons w<sup>ch</sup> he took out of his Custody y<sup>e</sup> Saturday before by his warr<sup>t</sup> to y<sup>e</sup> Provost Marshall — — — A Difference w<sup>ch</sup> arose between him & his attorneys of y<sup>e</sup> Court of Pleas, about ffees and ready Money was y<sup>e</sup> Occasion he did nothing in y<sup>t</sup> Court and he declared y<sup>e</sup> first day of y<sup>t</sup> Court before Noon, y<sup>t</sup> he would try noe Causes y<sup>t</sup> Court, He knew there was butt one Criminall to try in y<sup>e</sup> other Court Yet kept 94 Jurors, (for so many are necessary to attend both Courts) together w<sup>th</sup> Plaintiffs, Defendants, Witnesses, and other Persons Concerned a Great number on duty y<sup>e</sup> time aforesaid this unnecessary and very expensive Delay hath disoblged a Great number of People — — — — — One Crowther Master of a Pink, after he had beat thirteen weeks upon y<sup>e</sup> Coast of Virginia for y<sup>t</sup> Port, Came into Ashly River, for Wood, Water & Provisions, a little time after his arrival here two of his Seamen left him, he Complained of y<sup>m</sup> to Cap<sup>t</sup> Bellinger, Deputy Judge of y<sup>e</sup> Admiralty who by his warr<sup>t</sup>, had y<sup>m</sup> brought before him to whom they absolutely refused to go on board He according to an Act of Assembly Entituled for y<sup>t</sup> Purpose made here Committed y<sup>m</sup> to y<sup>e</sup> Custody of y<sup>e</sup>

Marshall of y<sup>e</sup> admiralty, by him to be kept. till y<sup>e</sup> Pink Sayled, and y<sup>n</sup> to be put on board w<sup>ch</sup> was done Accordingly. Judge Bohun after y<sup>e</sup> Vessel was under Sail bound out of this Port by his warrt. directed to y<sup>e</sup> Provost marshal, & a precept to a Cap<sup>t</sup> of one of y<sup>e</sup> Companys' in Charles Town to raise his Company to Assist his Marshall sent for y<sup>e</sup> two men and their Master on shoar ye two men he let go at Liberty y<sup>e</sup> Master he Comitted to Goal, because y<sup>e</sup> Marshall of y<sup>e</sup> Admiralty, had not obeyed his writt of Habeas Corpus, The Master by this Means, to his, & Owners, Great Damage, made uncapable to Proceed on his Voyage, Petitioned y<sup>e</sup> Councell for his Liberty, That his Seamen might be put on board, & for Damages, after y<sup>e</sup> Reading of y<sup>e</sup> Petition and before y<sup>e</sup> Councell enquired into y<sup>e</sup> Merritt of y<sup>e</sup> Matter, We Sent for Cheif Justice Bohun by him to be Informed of y<sup>e</sup> reasons for his So doing, he told us y<sup>t</sup> w<sup>t</sup> he had done was according to y<sup>e</sup> Habeas Corpus Act, we told him these two Men were Persons Convict & under Execution & therefore not within y<sup>e</sup> Compass of y<sup>t</sup> act & y<sup>t</sup> before y<sup>e</sup> Execution of his Writt of Habeas Corpus, he was by a Member of our Board told y<sup>e</sup> Same he told us y<sup>t</sup> w<sup>t</sup> he had done he would Justify by Law, we told him we did not then Send for him to Call him to Acc<sup>t</sup>. for w<sup>t</sup> he had Done, But (if he Could) to give us better Reasons y<sup>n</sup> we Could take from his Process, for his so Doing, or Else y<sup>t</sup> we would Send y<sup>e</sup> Men on board again, we Could Observe nothing from his further Discourse upon y<sup>e</sup> whole Matter, but y<sup>t</sup> his so Doing was reason Enough for its being Done before y<sup>e</sup> debate of y<sup>e</sup> Matter was made an end of, we Came to understand y<sup>t</sup> y<sup>e</sup> Judge had by recognizance bound over these two Men (for whom before he had acted more like an advocate y<sup>n</sup> an Indifferent Judge) to y<sup>e</sup> next Gen<sup>l</sup>. Sessions of y<sup>e</sup> Peace an uncertain Time, we asked him for w<sup>t</sup> Crime, upon whose Complaint, or Information he had bound these two Men to y<sup>e</sup> Sessions, he would make us no Answer, other y<sup>n</sup> y<sup>t</sup> he had done it, wee Enquired of y<sup>e</sup> Master if he had made any Complaint against his Men to y<sup>e</sup> Judge, he told us Noe wee Apprehended this was done by y<sup>e</sup> Judges advice w<sup>th</sup> y<sup>e</sup> Consent of y<sup>e</sup> Men to make us less Capable to Send them on board in fine we Ordre the Men to be putt of board and y<sup>e</sup> Judge at last advised y<sup>m</sup> to leave a Power behind y<sup>m</sup> to Sue y<sup>e</sup> Marshall of y<sup>e</sup> Admiralty for false Imprisonm<sup>t</sup>. Some Say the Judge first medled in this Matter to Grieve y<sup>e</sup> Master because he did not first Complain to him against his Men

& y<sup>t</sup> he (as before) multiplied his Proceedings because he Could not beare to have any thing done by him to be Called in Question or Contradicted, and for y<sup>e</sup> Sakes of y<sup>e</sup> Fees, we have reason to beleive y<sup>e</sup> last was a great Inducem<sup>t</sup>. — — In his Court of Kings Bench he Called y<sup>e</sup> Marshall of y<sup>e</sup> Admiralty before him to make return of his writt of habeas Corpus, Which he was Comanded to bring y<sup>e</sup> bodys of y<sup>e</sup> Two Seamen afores<sup>d</sup>. before him, on Tuesday y<sup>e</sup> Marshall made return y<sup>t</sup> y<sup>e</sup> bodyes of y<sup>e</sup> Said Seamen were taken out of his Custody by his y<sup>e</sup> Judges Precept to y<sup>e</sup> Provost Marshall directed on y<sup>e</sup> Saturday before y<sup>e</sup> Said Tuesday, The Judge Said this was no return & therefore Comitted him Prisoner to the Provost Marshall — — — — — Among other his Multifarious Proceeding's in y<sup>e</sup> afores<sup>d</sup>. Matter, y<sup>e</sup> Judge Sent a Certiorari to Landgrave Morton his Majesties Cheif Judge of y<sup>e</sup> Court of admiralty for so he is Constituted by his Majesties Speciall Comission, & to Edmund Bellinger Esq<sup>r</sup> Deputy Judge, y<sup>e</sup> Copys of y<sup>e</sup> Cheif Justices Certiorari, and their return to it we hereunto Send Your Lords<sup>ps</sup> — This hath made a Difference Between Your LordShips Cheif Justice and his Majesties Judge of admiralty, The Justice Says he will make y<sup>e</sup> Judge know he hath Power & will Supersede any business w<sup>so</sup>-ever shall be brought before him in y<sup>e</sup> Admiralty, to this y<sup>e</sup> Judge will not Submitt. Wee know Your Lordships have Power by your Charter to make Judges of y<sup>e</sup> Admiralty. Notwithstanding w<sup>ch</sup> his Majesty is Pleased to Comissionate one here now if your Cheif Justice Supersede all business shall be brought before y<sup>e</sup> Kings Judge it will in Effect make his Majesty's Comission Void Whether this be a fit way & time for your Lordships to Claim y<sup>r</sup> Preerogative in y<sup>t</sup> Particular Matter your Lordships are better Judges y<sup>n</sup> we are, And we hope your Lordships will Give Instructions about it — — — — — One Watkins a Merch<sup>t</sup>. from Bristoll Came here w<sup>n</sup> after he had Stay'd Some time and was inclined to Go off, he Sold y<sup>e</sup> remainder of his Goods for Something less y<sup>n</sup> he retaild y<sup>m</sup> to John Hales an Inhabitant for money to be paid before he went off y<sup>e</sup> Said Hales refused or neglected to Pay him his Money as agreed w<sup>ch</sup> y<sup>e</sup> Merch<sup>t</sup>. Petitioned y<sup>e</sup> Cheif Justice for a Speciall Court, w<sup>ch</sup> was Granted him, and a Tryall had in w<sup>ch</sup> y<sup>e</sup> Deft: attorney, alledge y<sup>t</sup> y<sup>e</sup> Judge had made divers Errors, a Copy whereof wee herewith Send your Lordshipps and accordingly did address y<sup>e</sup> Governour for approbation to y<sup>e</sup> Judge till y<sup>e</sup> Said

Errors were arguid wee Endeavored to Persuade y<sup>e</sup> attorney to desist, by telling y<sup>m</sup> there was nothing but right done Tho in a wrong way, they told us y<sup>t</sup> if indirect meanes were Suffred, to be made use of to do Justice, they would be much more made use of to do Injustice they would not be Prevailed upon to desist, There-upon y<sup>e</sup> Secretary was Ordred to Issue out Such Process as in y<sup>t</sup> Case is usual. The Secret<sup>y</sup>. before he did anything in y<sup>t</sup> matter Acquainted y<sup>e</sup> Judge of y<sup>e</sup> Importunity of y<sup>e</sup> Def<sup>t</sup>s. attorney and of y<sup>e</sup> Necessity— he was under to Comply w<sup>th</sup> y<sup>m</sup>, the Judge was not against arguing y<sup>e</sup> Errors, but Said y<sup>e</sup> Process must Go from him, And he must and Would & y<sup>t</sup> none other in Carolina Could try his Errors. The Secretary told him it was not So in England, he Said he knew y<sup>t</sup>, but y<sup>t</sup> he by his Comission was Judge of all & every Individual Superior Court in w<sup>ch</sup> y<sup>e</sup> Errors of y<sup>e</sup> Inferior Courts were arguable &c<sup>a</sup>— The Secretary told him y<sup>e</sup> Govern<sup>r</sup> was Satisfied he ought not be Judge of his Own Errors, And had ordered him to Issue out Process for a hearing in y<sup>e</sup> Palatines, Court, And desired his y<sup>e</sup> Judges advice in y<sup>e</sup> method of doing it. The Judge Seemed to be willing to advise, but whilst y<sup>e</sup> Secretary and he were discoursing of y<sup>e</sup> Matter, y<sup>e</sup> Judge made an Excuse to go out, Step'd into another Room & Signed an Execution in y<sup>t</sup> Particular matter, and ordred y<sup>e</sup> Marshall to execute in mann<sup>r</sup>.

Then Came again to y<sup>e</sup> Secretary & w<sup>th</sup> him Consulted of y<sup>e</sup> mann<sup>r</sup> of y<sup>e</sup> Process not telling him of y<sup>e</sup> Execution being signed or Executed, however y<sup>e</sup> matter was brought to a hearing before y<sup>e</sup> Councell where y<sup>e</sup> Judge was Prest<sup>t</sup>, & arguid passionately for y<sup>e</sup> Pl<sup>t</sup>. The Councell for y<sup>e</sup> reputation of y<sup>e</sup> Country & Justice Sake Ordred y<sup>e</sup> Merch<sup>t</sup>. Should have his Money, And left it to y<sup>e</sup> Judge to Proceed as he would have done if no Errors had been,— The Judge Ordred y<sup>e</sup> Matter so y<sup>t</sup> Notwithstanding, Execution was Executed upon y<sup>e</sup> Def<sup>t</sup>. Goods, y<sup>e</sup> Merch<sup>t</sup> wen of without his Money, nor did at last take Care to have it p<sup>d</sup>. Sooner y<sup>n</sup> it might have been recovered in y<sup>e</sup> Court of Course The Attorney for y<sup>e</sup> Def<sup>t</sup>, Adres'd y<sup>e</sup> Councell to know where they might bring an Information for y<sup>e</sup> Penalty of 100£. for non Observance of our Jury Act Against y<sup>e</sup>— Judge of & Above all Courts, after some time w<sup>thout</sup> Success Spent, to Disuade y<sup>e</sup> attorneys from their Purpose we told y<sup>m</sup> y<sup>e</sup> Palatines Court would hear and try all Causes, in w<sup>ch</sup> any Officer of any Court without w<sup>ch</sup> Officer y<sup>t</sup> Court Could not have a being, was Concerned,

and to Judge of appeals, The Def<sup>t</sup>. Hales hath filed an Information in y<sup>e</sup> Secretary's Office against y<sup>e</sup> Judge with a Copy of w<sup>ch</sup> he hath been Served it will Come to a tryall y<sup>e</sup> 2<sup>nd</sup> Wednesday of August next, — — He hath done a great many things Contrary to our laws made here, Sometimes he Say's They are all nonsense, and y<sup>t</sup> he will take no notice of y<sup>m</sup>, Sometimes he Say's he acts Contrary to them Ignorantly, and it is (he Say's) because he cannot See y<sup>m</sup> — — Both houses of Parliam<sup>t</sup>. have made an Order y<sup>t</sup> y<sup>e</sup> Clerk of y<sup>e</sup> lower house, Shall have y<sup>e</sup> Benefitt of giving Copy's of all acts of Assembly to every Person w<sup>ch</sup> hath Occasion for y<sup>m</sup> att: 2<sup>s</sup>. 6<sup>d</sup>. for y<sup>e</sup> Copy of each Act, this being to Gratify him in part for his attendance on y<sup>t</sup> house— The Clerk of y<sup>e</sup> Lower house being sometimes out of Town w<sup>n</sup> y<sup>e</sup> Councell Sate So as y<sup>t</sup> we Could not Come at y<sup>e</sup> Acts w<sup>n</sup> wee had occasion for y<sup>m</sup> The Secretary moved for an Order to have y<sup>e</sup> Acts kep<sup>t</sup> in his Office to avoide y<sup>t</sup> Inconveniency, An Order was made Accordingly but w<sup>th</sup> y<sup>e</sup> Condition, That y<sup>e</sup> Clerk Should have y<sup>e</sup> benefit of Giving Copys as before, and y<sup>t</sup> y<sup>e</sup> Secretary nor his Deputy Should Not give any Copy's— He hath told y<sup>e</sup> Councell he desired Copy's of all our acts in force. The Councell told him it was y<sup>e</sup> Clerk of y<sup>e</sup> Lower house his Business to Give him Copy's he paying for y<sup>m</sup>, (his own Motto for So he Say's to every one y<sup>t</sup> Comes to him about Business) as Every one of y<sup>m</sup> Did If they had Occasion for y<sup>m</sup>, he told us he would not pay for y<sup>m</sup> — — The Secretary told him Severall times y<sup>t</sup> if he would, himself, or Order his Clerk, or any Other Person to Copy y<sup>m</sup> for him, he would order his Deputy to lett y<sup>m</sup> Do it, he doth not accept of this offer but Say's y<sup>e</sup> King in England gives all his Magisterial Officers Copy's of all acts w<sup>th</sup> out Paying for y<sup>m</sup> — — By Carrying on business, in unusual, Indirect and Unnecessary Channells, he Generally Advances y<sup>e</sup> Costs of Every Suit to double (Some More) the fee they have been used to amount to & takes Greater fees for Matters & Things w<sup>ch</sup> used to be done y<sup>n</sup> are allowed by our Act of fees— a few Particulars we Instance as follow — — — — —

He demands and forces y<sup>e</sup> Paym<sup>t</sup>. of five Shill<sup>s</sup> for Every action entred in the Judges book tho y<sup>e</sup> Same never Come to a Tryall this fee was never demanded before He demands and takes one Shill and Six Pence, for y<sup>e</sup> Venire for every action w<sup>ch</sup> is Entred in y<sup>e</sup> Judges book tho y<sup>e</sup> Same go by Nihil Dicit or be made up before it Come to y<sup>e</sup> Jury never taken before, The Attorney

refuseing to Pay him y<sup>e</sup> two afores<sup>d</sup>. Fees together w<sup>th</sup> y<sup>e</sup> reasons above mentioned, was y<sup>e</sup> only Cause why he would not try any Actions y<sup>e</sup> last Court of Pleas — — — — —  
 He takes .7<sup>s</sup>. 6<sup>d</sup> for Allowing a writt of Error y<sup>t</sup> fee being limited by act to 5 Shill. After Judgm<sup>t</sup>. obtained, in his Court of Pleas he refuses to Sign Executions or Tax Cost of Suit till Such time y<sup>e</sup> attorney records w<sup>t</sup> he will have him Record and pay him Six Shill & eight Pence for makeing up y<sup>t</sup> record a thing altogether needless And never before Practised — — — — —  
 For y<sup>e</sup> Copy of y<sup>e</sup> record of his Court he exacts: 1<sup>l</sup>:12<sup>s</sup>:6<sup>d</sup>: w<sup>ch</sup> before his Time Exceeded not: 7<sup>s</sup>:6<sup>d</sup>: — — — — —  
 What he Enters Apertâ Curiâ for a Record in his Chamber Erases and Alters—w<sup>ch</sup> Particularly he did in y<sup>e</sup> Case of Watkins & Hales aforesaid The Pl<sup>t</sup> non suited himself in w<sup>ch</sup> Case y<sup>e</sup> Def<sup>t</sup>. hath Costs allowed him, The attorney for y<sup>e</sup> Def<sup>t</sup>. Presented to y<sup>e</sup> Judge y<sup>e</sup> Bill of Costs by him to be taxed, one of w<sup>ch</sup> Articles was y<sup>e</sup> Nonsuit as it was entred in Court. The Judge Said it was no Nonsuit but, a Discontinuance for w<sup>ch</sup>. y<sup>e</sup>. Pl<sup>t</sup>. pays no Cost; the Attorney told him he saw it Entered a Nonsuit in his Booke, y<sup>e</sup>. Judge went from him y<sup>e</sup> Att<sup>ney</sup>, to his Clarke, Erased out y<sup>e</sup>. Nonsuit & in y<sup>e</sup>. place thereof Entered a Discontinuance, And all this to Save his beloved Plantif y<sup>t</sup> Cost These Particulars have Occurr'd w<sup>th</sup>out a Particular Scrutiny into his Gen<sup>l</sup>: Proceedings w<sup>ch</sup> we have reason to fear are all tinctured w<sup>th</sup> such excesses We hope Your Lordships will take notice how mischeivous such a Multiplied & unaccountable Power infected w<sup>t</sup> an excessive Love of Money may be to any Comonwealth- and how arbitrary that Governm<sup>t</sup> must needs be where any Great officer can pretend to be Judge of his own actions and no where accountable for his Proceedings in all other Matters

So wishing your Lordships all health and happinness we Crave leave to Subscribe our Selves,

Wee have herewith Sent your Lordships Duplicate of our last to you Since w<sup>ch</sup> time our Assembly have Sate & will not medle anything in y<sup>e</sup> Matter of y<sup>e</sup> Constitutions but adjourned to y<sup>e</sup>: 30<sup>th</sup>: of January, without doing anything more y<sup>n</sup> reviveing y<sup>e</sup> Acts y<sup>t</sup> lay'd y<sup>e</sup> Imposition on Skins &c<sup>a</sup> — — — — —

The Dayly Continuance of y<sup>e</sup> Clamours of y<sup>e</sup> People for Judge Bohun's Exorbitancy Gives us Cause humbly to Intreat your Lords<sup>ps</sup>. would be pleased to let him know y<sup>t</sup> Some Court or other is Superior to him y<sup>e</sup> great Disatisfaction y<sup>e</sup> People are under by reason of his unlimited Comission you will See by y<sup>e</sup> Address from y<sup>e</sup> Commons also herew<sup>th</sup> Sent— — — — — May it Pleas your Lord<sup>ps</sup>. to be Informed y<sup>t</sup> it hath been alwaies usual in this Governm<sup>t</sup>— for y<sup>e</sup> more ease of tradeing men, to Permitt special Courts, to be held because y<sup>e</sup> Stopp of Ships till y<sup>e</sup> Court of Course might be of great Detrim<sup>t</sup>. to y<sup>e</sup> owners, Merch<sup>ts</sup>, & Masters, & our Councell books being burnt, a New Order was past to y<sup>t</sup> Purpose a Copy of w<sup>ch</sup> is inclosed & as it had allwaies been here used, y<sup>e</sup> Person desireing, Petitioned y<sup>e</sup> Govern<sup>r</sup>., (ye Councell not sitting) to Give his Order to y<sup>e</sup> Judge for it — — One Cap<sup>t</sup>. fforster Petitioned for a Special Court—y<sup>e</sup> Govern<sup>r</sup> thought it reasonable & indorsed y<sup>e</sup> Petition as usual, & Sent it to Judge Bohun who would not Pay Obedience to it nor Call a Court, because he was not Petitioned himself Saying y<sup>t</sup> Courts should be w<sup>n</sup> he Pleased not w<sup>n</sup> y<sup>e</sup> Govern<sup>r</sup> ordred — — — The Petition, w<sup>th</sup> y<sup>e</sup> Indorsement, & the Attorneys Certificate of w<sup>t</sup> he did in y<sup>e</sup> matter is inclosed. How Cap<sup>t</sup>. fforster's Owners, will take it w<sup>n</sup> they Shall hear y<sup>t</sup> there Vessel was forced to ly here two months on Charges for y<sup>e</sup> recovery of £20. or £30 Pound wee know Not, but wee are sure it is y<sup>e</sup> way to discourage trade— The reason why the Councell would have y<sup>e</sup> Power of appointing the hold Speciall Courts, or (they not Sitting) y<sup>e</sup> Govern<sup>r</sup> is, y<sup>e</sup> fees of Special Courts being Considerably higher y<sup>n</sup> Court of Course, they would not Give y<sup>e</sup> Judge opportunity on every frivolus occasion of holding y<sup>m</sup> for love of y<sup>e</sup> Fees wee hop Your Lordships will take this Matter into Your Serious Consideration for it makes your Governm<sup>t</sup>. here very ridiculous in y<sup>e</sup> Eyes of all Strager y<sup>t</sup> when they Shall Order a Court to be Called for y<sup>r</sup> Ease & releif Your Judge shall refuse to pay Obedience to it— And Praying for your Lordships health and Longlives, Crave leave to remain

May it Please your Hono<sup>rs</sup>.

In ours of y<sup>e</sup>: 17<sup>th</sup>. of January last wee acquainted your Lordships with y<sup>e</sup> receipt of yours of y<sup>e</sup>. 21. of September 1699, to which this is our Answer—

As to Judge Bohun wee gave y<sup>r</sup> Lordships a full & True acc<sup>t</sup>. of the matter of fact and Left y<sup>e</sup> merritt of y<sup>e</sup> thing to yo<sup>r</sup>. Judgm<sup>t</sup>. and Directions to which wee Should readily have given due Obedience so farr as y<sup>e</sup> Judge would have Lett us, Butt he is dead which hath not more Effectually putt an End to that matter then your Lordships Comands (then which nothing can be more Obleidging to us) hath Done—

Our Governo<sup>r</sup>. & his Majesties Officers take due Care that the Acts of Parliament for regulateing the Plantation Trade and for the Encourageing of Shipping & Navigation are well Observed, & no Vessels have been Seized of Late but have been Condemned & y<sup>t</sup> according to s<sup>d</sup> Laws,,

Wee Suppose Landgrave Morton y<sup>e</sup> Judge of y<sup>e</sup> Admiralty & Mr Bellinger his Deputy will give your Lordships reasons for their Acceptance of y<sup>e</sup> Comission by which they now Act the Governo<sup>r</sup>. is Pleased to tell us he hath Sent your Lordships a Copy of itt,,—————,,—————,,—————,,—————,,—————.

The Constitutions y<sup>e</sup> Comons would not Accept of nor pass y<sup>e</sup> Act against Pirates without a repealing Clause &c<sup>a</sup>. The reasons Alleadged are theirs not ours, Butt we Canot Observe no great Inclination in y<sup>e</sup> better Sort of People to Encourage Pirates,,—

We are greived wee have Occasion (& humbly begg your Lordships Pardon for it) to trouble your Lordships with y<sup>e</sup> unacceptable Narrative of y<sup>e</sup> Misbehaviour of yo<sup>r</sup> Publick Officers by M<sup>r</sup> Bellingers narrative, his Articles of Charge against M<sup>r</sup> Trott and y<sup>e</sup> Order of your Councell made thereupon all now Sent to you,,—————,,—————,,—————

Your Lordships will See how M<sup>r</sup> Trott hath behaved himself & what wee have done in which wee Submitt our Selves to your Lordships better Judgm<sup>t</sup>. Your Lordships Country is very healthy & hath made more rice y<sup>e</sup> Last Cropp then we have Ships to Transport

Wishing your Lordships all health & happiness wee Crave

May it Please your Lordships—

In february last run out of y<sup>e</sup> havana. 7 or 8 men in Launch  
a Spanyard Cheif in this they took a Bigger Vessel & added to  
y<sup>e</sup> Number of their Men & so Continued Piratically takeing of  
Vessels till they had in a Short time taken .17. all or most  
English & encreased their Number of Men to about 44 or 45  
which were English, Portuguese, Blacks Indians & Most of all  
French — — — — —

These with two Vessels which were bound from Jaimaca to Lon-  
don & which they took in y<sup>e</sup> Gulf Came upon our Coast in Aprill  
last where y<sup>e</sup> Pirates quarrelling amongst themselves turned  
ashore all y<sup>e</sup> English Pirates Amongst them which were Nine &  
one Seaman belonging to one of y<sup>e</sup> English Vessels taken in y<sup>e</sup>  
Gulf These Men Came ashoar at Sewee Bay & from thence to

Charles Town by Land, Pretending they were taken by Pirates & turned adrift at Sea out of Sight of Land in a Small Boat without Armes & with but very little Provision & water — — — It happened y<sup>t</sup> at y<sup>e</sup> Same time these men Came to Charles Town wee had three Masters of Vessels which had been taken by them, whereof as soon as wee were Informed wee Caused y<sup>e</sup> Men to be Apprehended & after Examination Comitted them to Goal & for y<sup>e</sup> Tryal of them Appointed a Sessions of Oyer & Terminer & Goal Delivery for the Jurisdiction of y<sup>e</sup> Admiralty on Wednesday y<sup>e</sup>. 5<sup>th</sup>. day of instant June, Seaven of these men together with two of y<sup>e</sup> Pirates w<sup>ch</sup> took Cap<sup>t</sup> Rhett in y<sup>e</sup> Providence frigate & which had for y<sup>t</sup> fact lain in Goal here about .6. Moneths which for want of Evidence against them wee Could not Try before Cap<sup>t</sup> Rhett came in, were Condemned & Executed yesterday all but one by Name John Colson which Seeming to be very Penitent as well as least Culpable, we have thought fitt to reprove till your Lordships pleasure therein be Signified to us which wee begg y<sup>r</sup> Lord<sup>ps</sup>. to do by y<sup>e</sup> first Opportunity, . . . This Man Executed y<sup>e</sup> rest — — — — —

The two Pirates which took Cap<sup>t</sup> Rhett had two Evidences against them to prove y<sup>t</sup> Piracie (i. e) Cap<sup>t</sup> Rhett & Cap<sup>t</sup> Anthony Mathews a Master of a Vessel taken by them and their Prisoner on board them when they took Cap<sup>t</sup>. Rhett The rest have four, Some three y<sup>e</sup> least two Evidences against them to Prove their being in armes & assisting to y<sup>e</sup> takeing Some of five Some of four y<sup>e</sup> least three Vessels, Edward randolph Esq<sup>r</sup>. Sate in Court y<sup>e</sup> whole Tryal of these Pirates, after y<sup>e</sup> Evidence was Summ'd up to y<sup>e</sup> Jury & that ready to go out he in favour of four of y<sup>e</sup> Criminals produced a Deposition which he had taken in Providence which was to this Purpose y<sup>e</sup> master of y<sup>e</sup> Vessel from whom four of these Pirates were taken made Oath that these men (i e.) four of them by name were taken from him by force, this being a Considerable time before y<sup>e</sup> Pyracies Comitted for w<sup>ch</sup> they were Arraigned wee thought fitt not to give them to y<sup>e</sup> Jury however wee let y<sup>e</sup> Jury know what they were, These men had perticular Certificates to y<sup>e</sup> Same purpose from their Masters.

Wee thought fitt to give your Lordships a particular Acco<sup>t</sup>. of this, doubting M<sup>r</sup> Randolph might make a misrepresentation of itt at home, For wee See his humour is to quarrel at every thing that done as well in y<sup>e</sup> Kings Govern<sup>t</sup>. as Proprietaries & that he

had rather no Govern<sup>t</sup>. Should do any thing well than he want an Occasion to Complain of them at home

The Grand Jury Acquitted two of y<sup>e</sup> nine Pirates— These men when they came in told us that their fellows intended to fitt their Vessel in one of our harbours & a day or two after were Seen three Vessels at an Anchor at Sewee Bay, Then wee made all y<sup>e</sup> hast possible to fitt out two Sloopes with a hundred men to take them whilst wee were about this Cap<sup>t</sup> Rhett in a Ships Boat Came from y<sup>e</sup> Northward Close along shoar who told us there were no Vessels to y<sup>e</sup> Northward, this put a Stopp to our Progress two daies after this wee heard of y<sup>e</sup> Pirates being in North Edisto then wee fitted out our Sloops & Sent them thither but they Came there to Late Some of our own People by giveing y<sup>e</sup> Pirates Notice of this Preparation Caused him to go to Sea before our Sloops gott thither this Expedition Costs the Publick near, a hundred Pound but we hope y<sup>e</sup> report of so Sudden & so well done a thing will discourage Pirates from lying upon our Coast

Skeech from Bristol Came in about five weeks Since on board of whom was y<sup>e</sup> Smallpox & a Malignant feaver of which, Ten or Eleaven dyed at Sea & two or three here, But God be thanked these distempers have not Infected us Wee are very healthy

Carolina, May, 17<sup>th</sup>.— 1700—

May it Please yo<sup>r</sup> Lordships—

The Death & Departure out of this Province of some & the Negligence of others of y<sup>e</sup> Members of y<sup>e</sup> house of Comons Elected to Convene on y<sup>e</sup> thirteenth of September, 1698, made y<sup>e</sup> Appearo<sup>rs</sup>. in y<sup>e</sup> Said house y<sup>e</sup> 2, or 3, last Time of their Convention so few that little or no Publick business was or Could be done by them, for which reason wee hoping to have more diligent Persons Elected in y<sup>e</sup> Stead of y<sup>e</sup> Negligent as well as y<sup>e</sup> roomes of y<sup>e</sup> Dead & Absent filled up, thought fitt to dissolve that Assembly, which wee did on y<sup>e</sup>. 31. day of January last & at y<sup>e</sup> Same time Issued out Writts for y<sup>e</sup> Election of another Assembly to meet on y<sup>e</sup>. 20. March last,,—

Because y<sup>e</sup> Dissolution of y<sup>e</sup> Assembly gave us a Chance for Per-

sons more Industrious & better inclined to attend y<sup>e</sup> doing of Publick business & is no more Charge or trouble to y<sup>e</sup> People then y<sup>e</sup> Election of one member wee thought it better to dissolve it then to give writts for Election to fill up y<sup>e</sup> Places of y<sup>e</sup> dead or Absent

On y<sup>e</sup> twentieth of said March wee mett y<sup>e</sup> house of Comons who (after they had Chose M<sup>r</sup> Nicholas Trott Speaker) presented to us three Bills, one for Securing y<sup>e</sup> Provincial Library in Charles Town, One to Appoint a Publick receiver, & one for y<sup>e</sup> better regulateing the Proceedings & fees of y<sup>e</sup> Admiralty, In which last Bill they wholly took away y<sup>e</sup> Admiralty Jurisdiction so far as it may or ought to have any relation to y<sup>e</sup> Acts of Trade & Navigation, & Limited all matters & disputes ariseing by Said Acts, to be triable only in y<sup>e</sup> Court of Exchequer which wee Conceived Contrary to y<sup>e</sup> Practice of England all his Majesties Plantations & all Proprietarys in America & to y<sup>e</sup> Sence of said Acts And in Effect by Obliding y<sup>e</sup> Informers of matters of Fact done Contrary to Said Acts to give unreasonable Securities & to pay Extravagant Damages made y<sup>e</sup> Said Acts unpracticeable even in their own Court of Exchequer for all which reasons we in yo<sup>r</sup> Lordships Names told them we Could not pass such a Bill before we had yo<sup>r</sup> Lordships Advice & Comands for so doing with which not Satisfied they once or twice a Day unpresidentially Importuned us to pass Said Bill till we to avoid further such authoritative Importunities rejected y<sup>e</sup> Said Bill. —

Wee had Some difference with them about y<sup>e</sup> manner of appointing a Publick receiver they not being Contented to Admitt for our Approbation of him as all former Assemblies have done, To Accomodate y<sup>e</sup> differences ariseing between y<sup>e</sup> two houses out of these Acts a Conference of both houses was at their Instance granted by us in which Conference they told us wee were no house & from & after that time in all their Messages to us stiled us Lords Proprietors. Deputies & took no Notice of us as an upper House Contrary to y<sup>e</sup> usage of all former Parliaments & of their own house before this Time — After Some Time Spent & Pains taken to no Purpose to perswade them to make Laws with us as all other former Parliaments: had Done, And you in Such Capacities as Lordships in your rules of Govern<sup>t</sup>. had Directed from which (we told them) we could not recede they to Oblidge us to pass such Acts & in Such Capacities as they had a mind to & distinguished us by, Sent us a Message to

Lett us know that they would not take into their Consideration y<sup>e</sup> Bill for Naturalizeing y<sup>e</sup> Vadauis unless wee would ratify two Bills, (viz<sup>t</sup>) one for Appointing Cap<sup>t</sup> Thomas Smith Publick receiver & one for y<sup>e</sup> Securing y<sup>e</sup> Provincial Library, These devices not haveing Influence enough upon us to recede from your Lordships rules of Governm<sup>t</sup>. they then Sent us a Message to lett us know that if wee would ratify y<sup>e</sup> Said two Acts then they would take into their Considerations yo<sup>r</sup> Lordships Constitutions———,,———,,———

To this Message yo<sup>r</sup>. Lordships will See our Answer in our Journal herew<sup>th</sup> Sent you

Lett it Please yo<sup>r</sup>. Lordships to understand that y<sup>e</sup> reason they so much Pressed y<sup>e</sup> ratifying these two Acts proceeded not from y<sup>e</sup> necessity of haveing them but to make a Session, By which they Intended to remove y<sup>e</sup> Publick receiver putt in by us which in Case of y<sup>e</sup> Death of y<sup>e</sup> former receiver who by an Act of Assembly were Impowered to Nominate who so Nominated who so Nominated was to Continue till y<sup>e</sup> next Session of Parliam<sup>t</sup>. & that y<sup>e</sup> Major part of them frequently declared after they had put in another receiver they would Adjourn themselves to July next and do no other Business And all this heat against y<sup>e</sup> Prest<sup>r</sup>. receiver was not Occasioned by any fault or inability in him but rise purely because he was put in by us for they Acknowledged they could not find any Error in his Acco<sup>ts</sup>:—

After all these Essays, to out y<sup>e</sup> receiver to make way for their owne favourite, who must not Come in neither but without our Consent and Approbation, M<sup>r</sup> Speaker was Pleased to Inform y<sup>e</sup> house that y<sup>e</sup> rejection of any one Act made a Session as much as y<sup>e</sup> ratifying one, And that he would by Law Convince us thereof in y<sup>e</sup> next Conference of both Houses, — — — In said Conference he read to us out of Shepheards Epitome of y<sup>e</sup> Comon & Statute Lawes under y<sup>e</sup> Title of Parliam<sup>ts</sup> (folio, 10) Justice Huttons Opinion to that Purpose, which in y<sup>e</sup> Same Chapter is Contradicted by said Hutton, Lord Cook, & two or three other as great Lawyers, as Soon as they perceived we had discerned this false Pleading, the house would not be prevailed on by M<sup>r</sup> Speaker to Justify any longer in this Topick, nor to vote as M<sup>r</sup> Speaker would have had them that y<sup>e</sup> Prest<sup>r</sup>. receiver was no receiver & that whoever paid any Money to him as Such should be deemed breaker of y<sup>e</sup> Priviledges of Parliam<sup>ts</sup>. — Enemies to y<sup>e</sup> Country,,———,,———,,———

After Mr. Speaker was thus Disappointed wee mett with nothing from them but Affronts breaches of y<sup>e</sup> Priviledges of our house & Encroch<sup>mts</sup>. upon yo<sup>r</sup>. Lordships prerogatives by Limitting us to a Day to pass their Bills to an hour to Answer their Messages, and denying us to be a house as Constituted by yo<sup>r</sup> Lordships rules of Governm<sup>t</sup>. Amongst other things Mr Speaker proposed to y<sup>e</sup> house to make a Comittee of Greivances with Power to represent them to yo<sup>r</sup>. Lordships without Shewing them to their own house or to us which Comittee Consisted of five of their Members or any three of said five to which Mr Speaker was Ordered to be Assistant, three of these five were Mr Speakers perticular Admirers & followers, And his End in haveing such a Power given to this Comittee was as wee are Informed) to have himself Commended to yo<sup>r</sup>. Lordships & yo<sup>r</sup>. deputies reflected on for Suspending him, Wee know nott butt Mr Speaker may Perswade these men that Notwithstanding y<sup>e</sup> dissolution of y<sup>e</sup> Assembly they are Still a Comittee & p<sup>er</sup>swade them to send yo<sup>r</sup>. Lordships some such things, After we had Notice of this unpresidented Power of this Comittee wee gave them time enough before y<sup>e</sup> dissolution to have perfected this Thing if their Design had been like Mr Speakers Malice,

Wee have reason to beleive Mr Speaker proposed itt & drew up y<sup>e</sup> house of Comons that bold & unreasonable Act for y<sup>e</sup> better regulateing y<sup>e</sup> Proceedings & fees of y<sup>e</sup> Admiralty to make y<sup>e</sup> Judge of y<sup>e</sup> Admiralty & his Deputy uneasie or onely Titular Judges, & that he proposed all y<sup>e</sup> other new things (for by him they were proposed) in y<sup>e</sup> house to make us all uneasie because of his Suspension,

Cap<sup>t</sup> Jn<sup>o</sup> Breholt Comander of y<sup>e</sup> Carlisle Frigate a Ship of very great force both of men & Guns from y<sup>e</sup> Coast of Cuba Came into Ashley river in November last & was Informed against by his men for Comitting of Divers Pyracies & Hostilities upon y<sup>e</sup> Subjects of his most Catholick Majesty y<sup>e</sup> King of Spaine for which in a Special Court of Oyer & Terminer & Goal Delivery for y<sup>e</sup> Admiralty Jurisdiction he was brought upon his Tryall, It was Clearly proved to y<sup>e</sup> Grand Jury that he had boarded Several Vessels, Chased Some on Shoare had taken & made use of Several things from on board them And as Often as he Espied a Saile he told his men that there was a prize he hoped loaden with Money &c<sup>a</sup>, Notwithstanding which y<sup>e</sup> Grand Jury found y<sup>e</sup> Bill against him Ignoramus, as Soon as he was Cleared he

hastened y<sup>e</sup> fitting his Ship for Sea which as Soon as he had done he fell down y<sup>e</sup> river below our fort & Guns, and then made it his business to make it known everywhere that he was bound to y<sup>e</sup> redd Seas encourageing all Sorts of men to Come on board him, Several Persons in Debt more than they were able or willing to pay went on board him Several Prisoners assisted (as we have reason to beleive) by Breholts men Escaped out of Goal & went on board him, Upon which y<sup>e</sup> Governo<sup>r</sup>. Sent to him to demand y<sup>e</sup> said Prisoners & all other Persons on board him for which he had not his Permitt to take them on board he refused to return any of them to take them from him by force wee foresee Could not be done without a great deale of Bloodshed, wherefore wee thought fitt to take y<sup>e</sup> Advice of y<sup>e</sup> house of Comons (they being then Sitting) about that matter they (Influenced by M<sup>r</sup> Speaker) Breholts perticular freind who also Influenced y<sup>e</sup> Grand Jury to find y<sup>e</sup> Bill against him Ignoramus, By a Message lett us know that they were well Informed by Severall Members of their house that Breholt was ready to Send on Shoar as many of y<sup>e</sup> afores<sup>d</sup>. Persons as y<sup>e</sup> Govero<sup>r</sup>. would require Notwithstanding which Breholt would not Send one Man a Shoar and wee verily beleive he is upon a pratical Design gon to y<sup>e</sup> redd Seas

” ————— ” ————— ” —————  
 Wee have Presumed (for which wee begg yo<sup>r</sup>. Lordships pardon) on yo<sup>r</sup>. patience in y<sup>e</sup> length of this letter to Obviate Such Misrepresentation of things as wee beleive will be made to yo<sup>r</sup>. Lordships about our Transaction with & dissolution of y<sup>e</sup> late Assembly & begg leave to Subscribe our Selves yo<sup>r</sup>. Lordship most Obedient & humble Servants—

May it Please yo<sup>r</sup>. Lordships—

Yo<sup>r</sup>s. of y<sup>e</sup>. 16. of December 1699 by Cap<sup>t</sup> Man wee have received Wee humbly & with Submission offer to yo<sup>r</sup> Lordships, That wee fear y<sup>e</sup> Altering of y<sup>e</sup> forms of Grants, Settled by an Act. Entituled an Act to Ascertain y<sup>e</sup> Prices of Lands, & y<sup>e</sup> forms of Conveyances ratified y<sup>e</sup> Sixteenth of March 1695/6 still in force (which y<sup>e</sup> Proviso for Escheat yo<sup>r</sup> Lordship have Ordered us to putt into all Grants will be) will make y<sup>e</sup> People very

uneasie & give them Cause to beleive your Lords<sup>pps</sup>. take no Notice of any Acts made here or but of Such parts of them as you like best of y<sup>e</sup> forms of Grants for purchased land is butt to Continue 2 years & 10 Months by said Act, y<sup>e</sup> forms of Grants for Land held at. 1<sup>d</sup>. 3<sup>d</sup> year 3<sup>d</sup> acre quitt rent is to Continue 10 years 10 months wee humbly Advise that it will be best to lett y<sup>e</sup> forms of Grants for Lands Purchased att 40s. 3<sup>d</sup> 100 Acres continue as they are dureing y<sup>e</sup> time afores<sup>d</sup>. If any Great Inconveniencie may be foreseen in it wee Conceive that y<sup>e</sup> limittig of such Grants to a Moderate quantity of Land may Obviate that, And that y<sup>e</sup> Proviso yo<sup>r</sup> Lordships orders for y<sup>e</sup> Escheat of Land unsettled for y<sup>e</sup> Space of four years after Patented may be best done by an Act of Assembly, which wee doubt nott but y<sup>e</sup> Comons will willingly Do it being so reasonable, & so much for their good by Encourageing new Comers to Settle among us, for these reasons wee Presume to deferr y<sup>e</sup> Putting yo<sup>r</sup>. Lordships Comands to us relateing to that Matter in Execution till we have yo<sup>r</sup> Lordship further Order about it, few or no Grants for Land not already laid out will be ready for our passing before Wee may have yo<sup>r</sup>. Lordships Orders & wee presume yo<sup>r</sup>. Lordships do not Intend these Orders shall Extend to land already run out, Wee herewith Send yo<sup>r</sup> Lordships M<sup>r</sup> Bellingers yo<sup>r</sup>. driven ashoar or Sunk & five wrecked, a Scotch Frigatt called y<sup>e</sup>  
rising Sun Mounted with 60 guns about 220 men belonging to her

went to Jamaica & from Jamaica bound to Europe in y<sup>e</sup> Gulf  
lost all her Masts Came & lay before our Barr of Ashley river  
designeing to lighten so as that she might Come into our harbour  
to refitt was in y<sup>e</sup> Same Storm at Anchor broke all to Peices &

Wee have Issued forth yo<sup>r</sup>. writts for Election of Members for a Gen<sup>l</sup>— Assembly on y<sup>e</sup> Eighth day of Inst<sup>t</sup> October, to meet on y<sup>e</sup> 30<sup>th</sup> of y<sup>e</sup> Same wee hope wee shall have them better tempered then y<sup>e</sup> last, — — —

Two Indians, Slaves to two of y<sup>e</sup> Inhabitants of this Colony, proposed to a Small nation of Indians liveing near them & within y<sup>e</sup> body of this Settlem<sup>t</sup>. to make warr upon us telling them there was a great many Nations of Indians had already Agreed & Confederated to make warr upon & Cutt off all y<sup>e</sup> white men, This Nation of Indians Imediately discovered y<sup>e</sup> Same to a Planter who Imprudently before he Informed yo<sup>r</sup> Governo<sup>r</sup>. of it Came to Charles Town & there reported it in such a frightfull manner as his fear had Suggested it to him, not leaving room for any doubt of y<sup>e</sup> Truth thereof This made such an Impression upon y<sup>e</sup> People in Gener<sup>l</sup>—. That Sever<sup>l</sup>—. out of y<sup>e</sup> Country removed their families into Town & y<sup>e</sup> people in Town thought themselves as little Safe as those in y<sup>e</sup> Country Wee took all y<sup>e</sup> Care possible to Enquire into y<sup>e</sup> Matter & find no reason to beleive there is anything in it y<sup>e</sup> people are now easie again, & wee have Ordered y<sup>e</sup> 2 Slaves y<sup>e</sup> first proposers of this warr to be Transported — — — — —

Att y<sup>e</sup> last Court of Pleas Mr Nicholas Trott in Arrest of Judgm<sup>t</sup>. to an Action brought against M<sup>rs</sup> Rhett as Adminis- trat<sup>rx</sup>. to M<sup>r</sup> Jonathan Amory late Publick receiv<sup>r</sup>. for mony belonging to y<sup>e</sup> Publick Treasury pleaded that y<sup>e</sup> late Govern<sup>r</sup>, was nott Governo<sup>r</sup>. And did Publickly in Open Court Affront & Abuse the Judge of y<sup>e</sup> Court for which y<sup>e</sup> Judge Silenced him from Pleading any more in his Court, And for y<sup>e</sup> Pleading afores<sup>d</sup>. y<sup>e</sup> Governo<sup>r</sup> & Councill Comitted him to Goal till he gave Security for his Good Behaviour to keep his Majesties Peace And to appear at y<sup>e</sup> next Gener<sup>l</sup>—. Sessions of y<sup>e</sup> Peace—

The Storm abovementioned hath Carried away all y<sup>e</sup> Timber Piles w<sup>ch</sup> Sett before our fort to break off y<sup>e</sup> force of y<sup>e</sup> waves from it And hath so undermined one Corner of it that it is Sunk

& broken away from y<sup>e</sup> rest of y<sup>e</sup> Wall Yo<sup>r</sup> Lordships Colony

The Parliam<sup>t</sup> which wee Called to meet and Sitt on y<sup>e</sup> thirtieth day of October 1700, and which by Prarogation and Adjournm<sup>ts</sup>. was Continued to y<sup>e</sup> Eighth day of January 1701. did then Contrary to the Orders and Advice of yo<sup>r</sup>. Lordships Councill, adjourn it Self to the first Wednesday in September following which was but about Ten daies before y<sup>e</sup> time y<sup>e</sup> Parliam<sup>t</sup>.

was to be Dissolved by y<sup>e</sup> Biennial Act, This their Adjournm<sup>t</sup>. in such manner wee Conceived to be against yo<sup>r</sup> Lordships prerogative as well as a great Argum<sup>t</sup>. that they did not incline to meet again to do business, and if they had, they had not left time enough to do it in Wee therefore after having taken all possible methods for secureing yo<sup>r</sup>. Lordships prerogative did Dissolve that parliam<sup>t</sup>. by Proclamation and in y<sup>e</sup> Same did call another to meet & Sitt on y<sup>e</sup> first day of Aprill last which did so and after haveing recommended to their Consideration y<sup>e</sup> things wee thought necessary for y<sup>e</sup> Safety of yo<sup>r</sup>. Collony y<sup>e</sup> house fell into violent heats about Elections & neglected y<sup>e</sup> business wee Called them for, wee thought fitt as y<sup>e</sup> best means to Cool those heats to prorogue y<sup>e</sup> Parliam<sup>t</sup>. to y<sup>e</sup> thirteenth day of this month, which then mett. and fell into heats about Elections again, So that by y<sup>e</sup> Contrivance of some of their members twelve of y<sup>e</sup> members Chosen for Berkly County and two of y<sup>e</sup> members for Colleton County as wee are informed were objected against as nott duly elected or qualified, the debate of this putt y<sup>e</sup> house in y<sup>e</sup> same ferment as before, The two Contending parties are so equall that wee have little hopes this will be ended in little time, to allay these heats again and to give y<sup>e</sup> members of the house time to reflect of what danger y<sup>e</sup> preference of these to Careing for the publick Safety may be wee have again prorogued the Parliam<sup>t</sup>. to y<sup>e</sup> third day of next June/

Haveing formerly written yo<sup>r</sup>. Lordships of y<sup>e</sup> Suspending Mr. Nicholas Trott from his Offices and not haveing reced. yo<sup>r</sup>. Lordships pleasure Concerning and haveing reced. an Adress from y<sup>e</sup> house of Commons to restore him to his offices wee have out of respect to y<sup>e</sup> Commons restored him accordingly/

The first time y<sup>e</sup> Parliam<sup>t</sup>. mett & Sate after y<sup>e</sup> Certain advice of y<sup>e</sup> Death of y<sup>e</sup> late King James, Sr. Nath Johnson Came into y<sup>e</sup> Upper house of Parliam<sup>t</sup>. and after haveing taken y<sup>e</sup> Oath of Allegiance to King William & y<sup>e</sup> other Oaths by Law required took his place as one of y<sup>e</sup> Cassiques of Carolina & hath ever since Constantly attended y<sup>e</sup> house/

Wee have no mounted all our Great Guns in Charles Town wee have finished att each end of y<sup>e</sup> two great Streets a Batterie and have now gott y<sup>e</sup> Order of both houses for piling them and y<sup>e</sup>

Whitehall Aprill the 15<sup>th</sup>: 1708—

S<sup>r</sup>—

Sometime since, the Queen was pleased to refer to Us a Petition relating to y<sup>e</sup> trade to Africa, Upon which wee heard what the Royall African Company & y<sup>e</sup> Seperate Traders had to offer & having otherwise informed our Selves in y<sup>e</sup> best manner we could of y<sup>e</sup> present State of that Trade, Wee laid y<sup>e</sup> Same before her Majesty. The Consideration of y<sup>t</sup>. trade came afterwards into the House of Commons, and a Copy of our report was laid before the House, but y<sup>e</sup> Session being then too far Spent to Enter upon a Matter of So great Weight, and other buisness intervening, no progress was made therein hower it being absolutely necessary that a Trade So beneficial to y<sup>e</sup> Kingdom, Should be Carried on with the greatest Advantage, there is no Doubt, but y<sup>e</sup> Consideration thereof will Come early before y<sup>e</sup> Parliament at their next meeting and as y<sup>e</sup> well Supplying of y<sup>e</sup> Plantations & Colonies with Sufficient Numbers of Negroes at reasonable Prices, is in our oppinion, y<sup>e</sup> Chief point to be considered in Regard to y<sup>t</sup>. trade & as hitherto wee have not been able to know how they have been Supplied by y<sup>e</sup> Company or by Separate Traders, otherwise than according to y<sup>e</sup> respective Accounts given by them, which for y<sup>e</sup> most part are founded upon Calculations made from their Exports, on one Side and y<sup>e</sup> other, and do differ so very much that no Certaine Judgment can be made upon those Accounts.

Wherefore that wee may be able at the next meeting of the Par-

liament, to lay before both houses when required, an exact & Authentick State of that trade, particularly in regard to the Severall Plantations & Colonies, We do hereby desire you, that upon y<sup>e</sup> receipt hereof you do informe your Selfe from y<sup>e</sup> proper Officers, or otherwise in y<sup>e</sup> best manner y<sup>u</sup>. Can, what numbers of Negroes have been Yearly imported directly from Africa into Carolina Since y<sup>e</sup> 24<sup>th</sup>. of June 1698 to y<sup>e</sup> 25<sup>th</sup>. of Dec<sup>r</sup>. 1707 & at what rate  $\text{£}9$  head they have been sold each year one with another, distinguishing y<sup>e</sup> number that have been imported on account of y<sup>e</sup> Royall African Company, and those which have been imported by Seperate Traders, as likewise y<sup>e</sup> rates at which such Negroes have been Sold by y<sup>e</sup> Company and by Seperate traders Wee must recommend it to your Care, to be as exact & diligent herein as possibly you can, and w<sup>th</sup>: the first Oppertunity, to transmitt to us such accounts as aforesaid, that they may arrive here in due time as also duplicate by y<sup>e</sup> first Conveyance

And that we may be y<sup>e</sup> better able to make a true Judgment of y<sup>e</sup> Present Settlement of that trade, we must further recommend it to you to Conferr w<sup>th</sup>: Some of y<sup>e</sup> principall Planters & Inhabitants within your Government touching that matter & to let us know, how y<sup>e</sup> Negroe trade was Carried on, and y<sup>e</sup> Province of Carolina Supplied with Negroes, till y<sup>e</sup> year 1698. When that Trade was Laid open by Act of Parliament, how it has been Carried on and Negroes Supplied Since y<sup>t</sup>. time, or in what manner they think the Said Trade may best be managed for y<sup>e</sup> Benefit of the Plantations.

Wee further desire you will inform us What number of Ships if any, are employed from Carolina to y<sup>e</sup> Coast of Africa in y<sup>e</sup> Negroe Trade, and how many Separate Traders are Concerned therein.

Lastly, Whatever accounts y<sup>u</sup>: Shall from time to time Send us, touching these matters of y<sup>e</sup> Negro Trade, We desire that y<sup>e</sup> Same may be distinct and not intermixed with other Matters. And for y<sup>e</sup> time to Come, y<sup>u</sup>. do transmitt to us y<sup>e</sup> like half yearly accounts of Negroes, by whom imported And at what rates Sold; the first of Such Subsequent Acc<sup>ts</sup>: to begin from

Christmass 1707. to which time those now demanded are to be given. So we bid you heartily farewell
